

Sir,—I desire, on behalf of the Entomological Society of Ontario, to acknowledge the receipt—through Mr. H. H. Lyman, of Montreal—of the specimens of *Nemeophila petrosa* and *plantaginis* from which the plate was made for illustrating Mr. Bean's paper in the April number of CAN. ENT.,—in excellent condition.

J. ALSTON MOFFAT, Curator.

DEGHUEE ALUMNI.

A dinner was given to Prof. Jos. Deghuée, of the old State Street School, Brooklyn, N. Y., on April 9th, by seventy graduates. Among these were Senator Luxow; F. W. Hinoides, Registrar; Rufus Zogbaum, Artist; Cashier William Halls; DeWitt Webb; John H. Walsh, and other prominent officials and merchants. The School is of interest as having turned out three students of American Entomology: Ed. L. Graef, who presided on this occasion; Fred Tepper, and A. Radcliffe Grote, whose names are known to readers of the CAN. ENT. Prof. Deghuée is a graduate of the University of Bonn, and for fifty years has been active as a teacher in Brooklyn. The following lines, by A. Radcliffe Grote, were sent by the author from Bremen, and were read during the evening by Mr. Albert Steiner:—

A moment pause! The air is stirred
 From far across the main;
 A scholar's waiting for the word,
 Wants to be heard again.

Look round the board! Of all you taught,
 If few attend to-day—
 If any of us came to naught,
 If others made their way.

All loved you. More can not be said,
 O, teacher, wise and true!
 The light that you upon us shed,
 In love returns to you.

Fill for the absent ones a cup,
 Whose hearts are yours alway;
 And fill the goblet brimming up—
 A thousand healths—*Deghuée!*

Mailed August 2nd, 1895.
