My book is Jesus Crucified.—*St. Francis of Assisi.*

There is this difference between *happiness* and *wisdom*; he that thinks himself the happiest man, really is so; but he that thinks himself the wisest, is generally the greatest fool.

O Most Holy Heart of Jesus inscribe on my heart the bitter sorrows which thou didst suffer for so many years on earth for love of me, that at the sight of them, I may henceforth for the love of Thee rejoice, in all the pains of this life, or that I may at least bear them with patience.—*St. Liguori.*
