The C. B. & Q. R. R. is now running in connection with the Missouri, Kansas & Ry. from Hannibal, a sleeping car from Chicago to Sedalia, Fort Scott, Parsons, Denison, Fort Worth, Waco, Austin, Houston, Galveston and other points in Missouri, Kansas, Indian Territory and Texas.

A Physician having directed one of his patients to bathe a wound in tepid water, the patient sent his little girl to the drug store with a note, saying: 'Please sell bearer one pint of tepid water.'

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

In the beginning, it required a rib to make woman; now it takes a pair of striped stockings, a corset, a lot of false hair, a set of false teeth, some wrinkles well powdered, and a big wart to make the average woman. Who says the world is not progressing.

Health Food... Six lbs. net to physicians and druggists who will pay express charges. For all families who will pay express charges. For all families who will pay express charges.

A great many people owe their gentlemanly appearance to their clothes, and a great many owe their clothes to the tailor.

DON'T BE FOOLED.—When you require a worm expeller ask for Nelson's Cherokee Vermifuge and take no other. Always reliable and pleasant to take.

A Maine paper inquires: 'Is there more money in heels than in heads?' Yes, in politics, where the heelers get all the money and the head men only get the honors.—Star.

DIPHTHERIA.—Thousands of deaths caused by diphtheria could have been avoided by a single bottle of Minard's Liniment used internally and externally. It is a positive preventive of diphtheria, and will cure 90 cases out of 100. Every family should keep it in the house.

Two conceited young authors were boasting that they rowed in the same boat with a celebrated wit of the day. 'Ah,' replied Jerrold, 'but not with the same sculls.'

THE MOON'S INFLUENCE

Upon the weather is accepted by some as real, by others it is disputed. The moon never attracts corns from the tender, aching spot. Putnam's Painless Corn Extractor removes the most painful corns in three days. This great remedy makes no sore spots, doesn't go fooling around a man's foot, but gets to business at once, and effects a cure. Don't be imposed upon by substitutes and imitations. Get 'Putnam's,' and no other.

The superiority of man to nature is continually illustrated. Nature needs an immense quantity of quills to make a goose with, but a man can make a goose of himself with one.—Reporter.

STILL ANOTHER.

C. C. Richards & Co., Gents.—I have used Minard's Liniment for rheumatism with great success. Please send by express one dozen bottles, as I cannot purchase it here.

W. H. SHERWOOD.

Amendment to Land Bill.—'That any tenant unable to pay his rent should sell his holding before the next gale day. That this process should be known for the purposes of this Act as 'The Sale before the Gale.'—Punch.

C. C. Richards & Co., Gents.—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. Three bottles cured her. I have used your Minard's Liniment for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble. Hantsport, N.S.

Mrs. F. SILVER.

I'm all wool and a yard wide! shouted a cowboy, as he gave his sombrero an extra side hitch and looked around for a foe. That may be, replied an undaunted female, but you won't wash.

ST. ANDREW'S, N.B., 4th Oct. 1889.

Wm. Brown Bros. & Co., Being very much reduced by sickness and almost given up for a dead man, I commenced taking your Puttner's Emulsion. A fortnight a very short time my health began to improve and the longer I used it the better my health became. After being laid aside for nearly a year, I last summer performed the hardest summer's work I ever did, having often to go with one meal a day, I attribute the saving of my life to PUTTNER'S EMULSION.
