As all our bodily ailments are brought upon us through the active manifestations of swarms of Bacilli, Bacteria, or Fungus animalcule, we should know that whatever is DEATH to the m is LIFE to ourselves.

To rid our systems from, doctors use all manner of fearful concoctions and poisonous drugs, which, while harmful to the microbes, also prove injurious to the body, as it certainly must be injured with poison medication. How different the use of **Radam's Microbe Killer**. It is nature's most wonderful tonic; as refreshing to the feverish system as is the dew to fragile plants. It is certain destruction to all microbic swarms in the system, and at the same time revivifying to all the cells and tissues not yet destroyed through the ravages of restless, hungry germs.

If not free from microbes, try Microbe Killer.
