**COUNTER
Check Books.**

Few of the Retail Merchants of Canada require any argument to prove to them that Counter Check Books are necessary to the proper carrying on of any business. The Storekeeper who does not acknowledge this, and sticks to the old methods of recording sales, gives himself much unnecessary labor, and is probably

LOSING MONEY EVERY DAY

through not having this department of his business properly systemized.

MESSRS. FERRIS & Co.,
DEAR SIRS.—About two years ago I was in Philadelphia, and while there I bought one of your Steam Washers, and brought it home to my wife. She has been using it ever since, and is well pleased with it. It does all you claim for it, and every family should have one, for the saving on clothes every few months would more than pay for the machine.
