Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Britens?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never beforein the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Britens in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases. They are easy of administration, prompt in their vesults, safe and reliable in all forms of diseases.

If men will enjoy good health, let them use Vinegar Britens as a medicine, and avoid

use VINEGAU BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by min eral poison or other means, and vital organs wasted become received.

wasted beyond repair. Grateful Thousands proclaim VINEGAR

British the most wonderful Invigorant that ever sustained the sinking system. Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Birrens, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the sceretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilions Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Nock, Goitre, Serofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great carative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers. Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowols. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Diseases of the China of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a

short time by the use of these Bitters.

I'in, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of mediatory and the system of the cine, no vermifuges, no anthelminities, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of wom-anhood or the turn of life, these Tonic Bit-ters display so decided an influence that improvement is soon perceptible. Janualice.-In all cases of jaundice, rest

assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.

The Aperient and mild Laxative properties of Dr. Walker's Vinegar Bittens are the best safeguard in cases of cruptions and malig-nant fevers. Their balsamic, healing, and soothing properties protect the humors of the funces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, from inflammation, wind, colic, cramps, etc.

Cleanse the Vitiated Blood whenever

you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
