THE TRUE WITNESS AND CATHOLIC CHRONICLE.-JULY 30, 1875.

DR. M'LANE'S CELEBRATED LIVER PILLS,

FOR THE CURE OF Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someames the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. 2 The stomach is affected with loss of appetite and sickness; the bywels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with "his disease to give them A FAIR TRIAL.

DE LA SALLE INSTITUTE. Nos. 18, 20 & 22 Duke Street.

TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is an der the distinguished patronage of His Grace, the

Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank-now adapted to educational purposes-the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire,

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of th students committed to their care

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory : students of all denominations are admitted.

The Academic Year commences on the first Monday in September. and ends in the beginning of July.

Ayer's **Cherry** Pectoral For Diseases of the

Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma,

and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will. Eminent Physicians throughout the country

prescribe it, and Clergymen often recommend it
