Compound!**

**It Worked Miraculously!**

**She is Now Well and Strong!**

There is nothing that gives more pleasure and happiness to the average man and woman than delivery from agony and suffering. We all expect to meet with a certain amount of pain, and expect to be called upon to share in some of life's trials, while in this vale of tears; but continued months and years of excruciating agony we are not prepared for.

Mrs. A. Legault, of 775 St. Andre St., Montreal, has had her sad and terrible experiences in the way of bodily sufferings and mental anguish. Her troubles—headache, sleeplessness, nervous prostration and loss of memory—were fast making her a physical wreck, and leading on to the dark gulf of insanity.

At a critical period kind friends advised the use of Paine's celery compound, that great preparation discovered by Professor Phelps, of Dartmouth Medical College. Mrs. Legault tells us that shortly after she commenced the use of Paine's celery compound it worked wonderfully and miraculously. This is indeed the experience of thousands who have used the life-giving remedy. No other medicinal agent has ever done such a work in the world of suffering, and no other can point to so many victories over disease and death. In the following letter Mrs. Legault fully explains her sufferings and tells of her complete cure:—

"I cannot help telling all sufferers what Paine's celery compound has done for me. I would have been a lost woman had I continued six months longer in suffering. My case was a bad one. Headache, insomnia, nervous prostration and loss of memory made up my troubles, and I feared they would lead to insanity. I went to several doctors

who treated me with all their skill, but I did not get any better. As I am the mother of seven children, I became disheartened with failures and being obliged to spend so much money. My friends advised me to try Paine's celery compound. The first bottle gave me little relief, but the second began to work miraculously on my nerves. I continued using the compound, and after taking nine bottles I can positively say I am cured."

## DOMESTIC READING.

The soul of an action is its motive.

An indifferent man is a doomed man. Genius is all your days to carry a torch about with you which illumines everyone's path except your own.

It is just as well to begin the day with a good resolution as with a poor one. The better the resolutions, the stronger they will be observed.

If God is great the soul can yet contain Him. If God is free, so, dread thought, are we. The basis of the knowledge of God is in knowing ourselves.

Words are living things when they are loving things. Such they always are when the heart's pulses throb in them, arteries, not veins, glad bearers of our richest blood.

God has preserved you so far; only keep yourself faithful to the law of His providence and He will assist you at all times, and where you cannot walk He will carry you.

I have brought myself by long meditation to the conviction that a human being with a settled purpose must accomplish it, and that nothing can resist a will which will stake even existence for its fulfilment.

## BURDOCK BLOOD BITTERS.

Burdock Blood Bitters is a medicine made from roots, bark and herbs, and is the best known remedy for dyspepsia, constipation and biliousness, and will cure all blood diseases from a common pimple to the worst scrofulous sore.

Why are green apples like the letter "t"? Because they are in digestible.
