You noticed how it from one drop at a time until it was a fout long or more. one urop as a small state of the sold of the water was clean the icicle remained clear, and sparkled brightly in the sun; but if the water was but slightly maddy, the icicle looked foul, and its boarty soiled. Just so our characters are forming. One little thought or feeling at a time adds its in-Quence. If each thought be pure and right, the soul will be lovely and will sparkle with happiness; but if impure and wrong, there will be final deformity and wretchedness.

Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affectcellence as a Liniment | ed with a severe and obstinute cough accompanied with scute pain in the side, which did not leave me, Full directions accom-pany each bottle. It creased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Eulsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

Your obedient servant, L. J. RACINE.
