

tal bases of every society worthy of man—the spirit of liberty, the spirit of family, and the spirit of religion. How has this nation, in which pagan pride still survives and triumphs, and which has yet remained in error the most religious of all the nations of Europe, how came it to be Christian? How, and by what hands have these imperishable roots been implanted? The question is surely the most important of all those which history makes mention of, and its interest is the more important when we consider that on the conversion of England depended, and still depends, the conversion of many millions of souls. English Christianity was the source of the Christianity of Germany. From the depths of Germany the missionaries formed by the Anglo-Saxons carried the faith into Scandinavia, and among the Slaves;—and day after day, at the present moment, either by the fruitful expansion of Irish orthodoxy, or by the stubborn impulsion of Protestant propaganda, Christian societies are created, speaking English and living English life, throughout the whole of North America, in both the Indies, in vast Australia, and among the islands of the Pacific. Over nearly half the world Christianity has flowed, or will flow, from the source which first gushed out from the soil of Britain. To that question we are enabled to reply with rigorous exactness. No people on earth have received the Christian faith more directly from the Roman Church, and more exclusively through the agency of the monks, than the English.

THE DOMICILE ERECTED BY JOHN. TRANSLATED FROM THE VULGATE X. GOOSE BY A. POPE. Behold the mansion reared by dædal Jack. See the malt stored in many a plethoric sack, In the proud cirque of Iwan's bivouac. Mark how the rats' felonious fangs invade The golden stores in John's pavilion aid. Anon with velvet foot and Tarquin strides, Subtle Grimalkin to his quarry glides, Grimalkin grim, that slew the fierce rodent, Whose tooth insidious Johann's sackcloth rent! Lo! now the deep-mouthed canine foe's assault, That vexed the avenger of the stolen malt, Stored in the hallowed precincts of that hall, That rose complete at Jack's creative call. Here stalks the impetuous Cow with crumpled horn Whereon the exorbitating bound was torn. Who bayed the feline slaughter-beast that slew The rat prodaceous, whose keen fangs run thro' The textile fibres that involved the grain, Which lay in Hans' inviolate domain.

Here walks forlorn the Damsel crowned with rue, Lactiferous spoils from vaccine dugs who drew, Of that cornucopia beast whose tortuous horn Tossed to the clouds in fierce vindictive scorn, The harrising sound, whose braggart bark and stir Arched the libe spine and reared 'th' indignant fur Of Puss, that with verminical claw Struck the weird rat in whose insatiate maw, Lay reeking malt that erst in Juan's courts we saw. Robed in senescent garb that seems in sooth Too long a prey to Chronos' iron tooth. Behold the man whose amorous lips incline Full with young Bro's' ocalative sign, To the lora maiden whose lact-albic hands, Draw abun-lactic wealth from lactal glands Of that immortal bovine, by whose horn Distort, to realms ethereal was borne The besat catulean, vixer of that sly Ulysses quadrupedal, who made die The old mordacious Rat that dared devour Antecedaneous Ale in John's domestic bower. Lo! here with hirsute honours doffed, succinct Of sponaceous locks the Priest who linked in Hy-men's golden banks the torn unbrift Whose meaus exultant stared from many a rift. Even as he kissed the virgin all forlorn, Who milked the cow with implicated horn, Who in fine wrath the canine torturer skied, That dared to vex the insidious moricide, Who let auroral effluence through the pelt Of the sly rat that robbed the palace Jack had built.

THE FLORENCE NIGHTINGALE OF THE NURSERY. The following is an extract from a letter written by the Rev. O. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn.— A BENEFACTRESS. Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow, for helping her to survive and escape the gripping, colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity and rendered dull and idiotic for life. We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle Sold by all Druggists.

LIBELS ON THE FLOWERS.—The incense-breathing blossoms of every clime are infamously libelled by parties who attach the names of these exquisite products of nature to preparations manufactured from pungent essential oils. MURRAY & LANMAN'S FLORIDA WATER, for thirty years the standard perfume of Spanish America, is frequently simulated by impostors, whose preparations are not only worthless but deleterious to health, producing a pernicious effect upon the brain and nerves, besides becoming rancid and disagreeable to the sense of smell soon after contact with the air. Beware of such. Avoid them. MURRAY & LANMAN'S FLORIDA WATER is the purest and most lasting of all perfumes. 531 St. Nicholas Street, New York, are stamped in the glass on each bottle. Without this none is genuine. Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co, K. Campbell & Co, J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

TORTURES OF THE HEAD.—Imperfect digestion, with its invariable concomitants, a sympathetic disturbance of the liver and bowels, is the exciting cause of sick and nervous headaches. Why endure their excruciating agony when a course, and in some cases one dose of BRISTOL'S SUGAR COATED PILLS will remove cause and consequences together? Chronic headache, of the most obstinate type, inevitably and quickly yields to this mild and most efficacious of all cathartic and antispasmodic medicines—which no disease proceeding from a disordered stomach, a morbid state of the liver, irregularity or constipation of the bowels, or the difficulties incident to the weaker sex, can long withstand. In all cases where the liver is seriously affected, BRISTOL'S SARSAPARILLA, the most potent purifier of the animal fluids the world has ever known, will greatly facilitate a cure. The Pills are put up in glass vials, and will keep in any climate. Both medicines are kept by leading druggists everywhere.

J. F. Henry & Co. Montreal, General Agents of Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co, K. Campbell & Co, J. Gardner, J. A. Harte, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

WORDS OF COMFORT TO THE WEAK.—In addition to the ailments common to both sexes women have special ailments of their own, which demand our sympathy, and should receive relief if possible. It is possible. In her peculiar trials she needs strengthening and sustaining, and the functional derangement and sustaining, and the functional derangement to which she is subject can only be removed by a preparation combining the properties of a tonic and regulating medicine. Alone among remedies of this nature stands BRISTOL'S SARSAPARILLA. Wholly vegetable, perfectly innocuous, and especially adapted to delicate and over-susceptible organizations, it will be found invaluable in all the peculiar physical exigencies of the sex. Used at the same time with the Sarsaparilla, BRISTOL'S VEGETABLE PILLS will be found a powerful help in effecting a complete cure, carrying off from the system the vitiated and depraved humors set free by the Sarsaparilla, and thus enabling the organs to resume their healthy functions at the proper and natural seasons. 510 Agents for Montreal, Devins & Bolton, Lamplough & Campbell, Davidson & Co, K. PERRY DAVIS' VEGETABLE PAIN KILLER cures Sudden Colds, Neuralgia, Rheumatic Affections, Toothache, Sick Headache, Frost Bites, Kidney Complaints, Old Sores, Throat Affections, Diphtheria, General Debility, Diarrhoea, Pain in Stomach, Cholera, Scalds and Burns, Sprains, Bruises.

This long tested and unrivalled Family Medicine has been favorably known for about thirty years, during which time we have received thousands of testimonials proving it to be an almost never failing remedy for the above named complaints. It has been tested in every variety of climate and in almost every known portion of the globe. The missionary, the sailor and the soldier find it an inestimable friend, and the millions of bottles sold yearly are its best and strongest recommendation. The great reputation the Pain Killer has won for itself has induced others to imitate and counterfeit it to a great extent. We should caution all purchasers against these imitations either in name or style of putting up such as Pain Destroyers, Pain Relievers, Pain Kings, Pain Remedy, &c. Country Merchants and Druggists purchase these worthless preparations for one half the price of the genuine Pain Killer, yet charge the public the same as for the genuine, hence their object in urging these worthless preparations on the public. Send for a Pain Killer Almanac and Receipt Book for 1867 gotten up with the greatest care and contains, aside from numerous testimonials, &c. of the Pain Killer, a very valuable collection of Domestic Receipts. The Pain Killer is sold every where by all Druggists and Country Store-keepers. PRICE, 15 cts., 25 cts. and 50 cts. per bottle. Orders should be addressed to PERRY DAVIS & SON, Manufacturers and Proprietors, MONTREAL, C.E.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the odious legislators to pass a law "preventing disgusting the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer. SARATOGA SPRING WATER, sold by all Druggists.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. The Mexican Mustang Lincture relieved the pain almost immediately. It healed rapidly, and left very little scar." CHAS. FOSTER, 420 Broad St., Philada. This is merely a sample of what the Mustang Lincture will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, sprains, etc., either upon man or beast. Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signatures of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co, New York. SARATOGA SPRING WATER, sold by all Druggists.

All who value a beautiful head of hair, and its preservation from premature baldness and turning gray, will not fail to use Lyons celebrated Kathairon. It makes the hair rich, soft and glossy, eradicates dandruff, and causes the hair to grow with luxuriant beauty. It is sold every where. SARATOGA SPRING WATER, sold by all Druggists.

WHAT DID IT?—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Heimstreet's is not a dye, but is certain in its results, promotes its growth, and is a beautiful Hair Dressing. Price 50 cents and \$1. Sold by all dealers. SARATOGA SPRING WATER, sold by all Druggists.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, &c., where a warming is required. Its careful preparation and entire purity makes it a cheap and reliable article for culinary purposes. Sold every where, at 60 cents per bottle. SARATOGA SPRING WATER, sold by all Druggists.
