NOTES.

- Notes (a) through (h) explaining specific moves and game events, such as 'Black has by far the better developed game.'

BANISHES BAD BLOOD.

Bad Blood is responsible for all the Boils, Blotches, Pimples, Eruptions, Skin Diseases, Humors and Disfiguring Rashes that are so prevalent, especially in spring. There is a NATURAL FOE TO BAD BLOOD called Burdock Blood Bitters which always conquers, never fails and is recommended by thousands.

WHAT THEY SAY.

Two of my children had large sores on their bodies caused by poorness of the blood. They were completely cured by one bottle of B. B. B. Mrs. J. PINEL, London East, Ont.

About a year ago I got a running abscess on my neck which made me very weak. B. B. B. cured it and I am strong again. Mrs. GEO. LEDINGHAM, Montefiore, Man.

A Faithful Friend.

Sirs, I have great faith in your Burdock Blood Bitters, and can recommend it for most anything. Two years ago I was troubled with an ulcer on my ankle; having used B. B. B. for bad blood I procured a bottle, and a box of Burdock Healing Ointment; after using three bottles and three boxes I was completely cured and can recommend it everywhere. Yours truly, Mrs. Wm. V. Boyd, Brantford, Ont.

RUNAWAYS IMPOSSIBLE!

SAFETY GUARANTEED

IS THIS POSSIBLE? YES, with the AUTOMATIC SAFETY BIT, any horse who ever starts to run away, be he vicious or running from fright, can be stopped without injury to horse, or driver. HARD-MOUTHED or PULLING horses driven with ease. Your horse CANNOT run away with the Automatic Safety Bit.

You have a handsome horse, bright and spirited, that you would like to drive but hesitate to do so under certain conditions you feel you cannot stop him. With the Automatic Safety Bit you can drive him and stop him easily without the slightest injury or irritation to the horse. You have a handsome horse you would like to have your wife or daughter drive, but are afraid to do so, for fear they will not be able to control him. With the Automatic Safety Bit adjusted a fifteen year old girl can stop the most vicious horse without hurting the horse or in any way worrying or fretting him. The mechanism for stopping the horse does not act upon the bit proper, but through the outside of the bit on the nostrils, closing them and shutting off the horse's wind, and of necessity stopping him. Absolute safety from running away is guaranteed to anybody using these Bits. Simple in construction, easy on the horse and absolutely reliable. Circulars and testimonials will be sent you upon application to

L. P. BRITT, 37 College Place, cor. Murray St., N. Y.
