DEPARTMENT OF LABOR FOR PROVINCIAL GOVERNMENT.

Hon. William Sloan, Minister of Mines, in addition to his duties in caring for that department will likely soon become Minister of Labor as well. While the Government has not definitely selected the portfolio to which the new Department of Labor provided for in a bill introduced will be attached, Premier Brewster stated that he expected that the Minister of Mines would probably be chosen.

The new bill which the Premier introduced creates a Department of Labor in the civil service, with a Minister of Labor, a Deputy Minister, and such other officers, clerks, etc., as may be required. The bill specifically empowers the officers of the proposed department to procure from officials of industrial societies, trades unions, etc., all necessary information.
