TRACKING: ACTIVITIES UNDERTAKEN IN QUARTER:

QUARTERLY RESULTS REPORTED:

QUARTER: 1 Promote Cdn investment in gold mines.  
 - Establish list of gold mine projects, meet promoters and prepare participation in MINTEC 89

There are at least 5 Cdn companies who announced new projects. Total value of investment over the next 3 years is over \$400 M. Hopefully some of it will buy Cdn equipment and services.

QUARTER: 2 Mintec'89 - Mission of 15 Chilean exec visiting Cda for Mintec'89. Seminar & visit of different gold mines, as well as meeting w/EMR, Ottawa EDC fin Sem in Cda. CODELCO invited to discuss mkt & business practices in Chile.

Reports fm Cda agreed that Chilean del was most prof group that attended. Preliminary results show the possibility of \$500,000 sales of mining equip., 5 new connections for local representation, & opening of a new \$5 mil line of credit
