A contract in the amount of \$6.1 million was awarded to UTDC, Toronto, and a Singapore joint venture partner to build an ultra-modern 1 km underground baggage train, connecting airport THAILAND terminals.

Carrier and participation

Export sales to Thailand increased to \$340 million in 1989, while imports were \$420, giving a two way trade total of \$760 million. With this level of exports, Thailand became Canada's largest export destination in ASEAN.

Lavalin International Inc. continues to pursue the \$2.025 billion contract for the supply, construction and operation of the 36 km mass rapid transit system in Bangkok.
