Modalities of Cooperation

(a) Cooperation may include the following activities:

1. participation of persons and legal entities, including the Parties themselves, universities, research institutions, and other bodies or undertakings, in research projects of the Community or Canada, in accordance with the procedures in force for each Party;
2. shared use of research facilities;
3. visits and exchanges of scientists, engineers or other appropriate personnel for the purposes of participating in seminars, symposia and workshops relevant to cooperation under this Agreement;
4. exchange of information on practices, laws, regulations and programmes relevant to cooperation under this Agreement;
5. other activities as may be mutually determined by the Joint Science and Technology Cooperation Committee in accordance with the applicable policies and programmes of the Parties.
