

- (c) request information on the other Party's progress towards the determination of the equivalency of the other Party's organic certification system; and
- (d) address other work that is within the scope of this Annex to be decided by the Committee on Technical Barriers to Trade.

Competent Authorities

- 5. (a) Chile shall recognize that the Canadian Food Inspection Agency of the Government of Canada, or its successor, is the competent authority responsible for the oversight of the certification of organic products in Canada.
- (b) Canada shall recognize that the Agriculture and Livestock Service of the Ministry of Agriculture of the Government of the Republic of Chile, or its successor, is the competent authority in charge of the certification system of organic products.
