CANADIAN NORTHERN ALBERTA RAILWAY.

House in committee on motion:—Resolved, That it is expedient to provide that the aid and assistance which, under the Canadian Alberta Act, 1910, the Governor in Council was authorized to give to the Canadian Northern Alberta Railway Company in respect of the construction of the one hundred and fifty miles of railway therein described may, notwithstanding anything in the said Act, be applied to the first one hundred and fifty miles of the said company's railway at present constructed or located from St. Albert, in the Province of Alberta, in a generally westerly direction toward the Yellowhead Pass—*Hon. W. T. White*—5162.

Graham, Hon. Geo. P. (Renfrew)—5165.

The explanation given by *Mr. White* is practically the explanation given by the late government. No way out of the difficulty—5165. Can see no objection to the transfer of the guarantee. The Bill the only wise thing to be done—5166.

CANADIAN NORTHERN ALBERTA RAILWAY—*Con.*

White, Hon. W. T. (Finance Minister)—5163.

Refers to legislation of 1910. The 150 miles has become part C.N.R. main line. Consent of debenture holders to change required—5163. No notice received of any dissent. Similar resolutions placed on the order paper last year by *Mr. Fielding*—5164. Introduces the Bill—5166.

CANADIAN NORTHERN ALBERTA RAILWAY.

Bill 189 taken in committee—*Hon. F. Cochrane*—6372.

Cochrane, Hon. F. (Minister of Railways)—6372.

This goes from that 150 mile point from St. Albert to the boundary of British Columbia. From the Yellowhead down is mountainous—6372. The first fifty miles from St. Albert is \$15,000, and a hundred and fifteen thousand is \$35,000 a mile—6373.

Graham, Hon. Geo. P. (Renfrew)—6372.

That is near Edmonton. It will connect with the road we have just subsidized—6372. Thinks the standard was not exacting. There was provision about it anyway—6373.

Oliver, Hon. Frank (Edmonton)—6373.

Is this a grant of \$35,000 a mile all the way from St. Albert?—6373.

CANADIAN NORTHERN PACIFIC RAILWAY COMPANY.

Cochrane, Hon. F. (Minister of Railways)—6331.

Moves the second reading. There is no correspondence of that nature in the department. There is only a letter from *Hon. Colonel Matheson*—6331.

Graham, Hon. G. P. (Renfrew)—6331.

This will take hours. The resolutions were allowed to go through on the understanding that we discuss them on second reading—6331.
