

when a tag or check is issued. Including loss or damage to vehicles resulting from the operation of station auto clubs.

Co-insurance Requirement: 90 per cent insurance to total values at risk on station.

Dishonesty: (Merchandise, Money or Securities).

Covers: Blanket Fidelity Bond: All employees, service or civilian covered. No requirement to advise of changes in personnel.

Applicable to each employee identified. Applicable to loss when employee cannot be identified. Applicable to position of mess and institute accountant officer.

Money and Securities: Dishonesty, disappearance or destruction caused by persons, known or unknown.

While on station premises. While away from station premises, during transportation, or elsewhere. Exclusions: Loss from any bank safety deposit box. Forgery of the cheques for deposit.

**Legal Liability**

Covers: Employers Liability: (Civilians paid directly by non-public funds). Legal liability for bodily injuries or death. Includes Voluntary Benefits: Lost time wages and hospital and medical expenses.

(e) Insurance rates are based on the degree of risk involved. Because of factors such as unit location, number of personnel, scope of non-public operations, type of buildings and seasonal fluctuations in the size of inventories at some units, the rates in effect at any unit normally apply to that unit only.

(f) Commanding officers are expected to obtain the insurance coverage at the lowest price available. The business is not normally awarded on the basis of tender call but the insurance programs of any agent will be considered on a competitive basis. McRae and Company have tailored insurance programs to meet the needs of these stations and have been able to offer favourable rates.

**RADIO AND TELEVISION—HOURS OF BROADCASTING AND EXPENDITURES**

**Question No. 935—Mr. Prittie:**

1. How many hours of television programs for the national network originated in Toronto, Montreal (English only), Vancouver, Winnipeg, and Halifax during the years 1960, 1961, and 1962?

2. How many hours of television programs originated in each of the same centres for use in the region in which the centre is located?

3. What were the capital expenditures for television broadcasting facilities in the abovementioned centres during 1960, 1961 and 1962?

4. What were the capital expenditures for radio broadcasting facilities in the abovementioned centres during 1960, 1961, and 1962?

5. What capital expenditures are planned for television and radio broadcasting facilities in each of the above-mentioned centres for 1963 and 1964?

**Mr. Pickersgill:** I am informed by the Canadian Broadcasting Corporation as follows:

*Questions*

	Network		
	1960/61	1961/62	1962/63
1.			
Toronto	1,293	1,252	1,239

Winnipeg	25,124	1,173	59,122
Vancouver	24,388	20,757	61,338

5. It would not be proper for the corporation to disclose its estimates for capital expenditures prior to these estimates being considered by parliament.

**R.C.A.F. STATION, SUMMERSIDE, P.E.I.—LEASE OF PROPERTY FOR SERVICE STATION**

**Question No. 947—Mr. MacLean (Queens):**

1. Has land been leased on Department of National Defence property R.C.A.F. station, Summerside, to an oil company for a service station and, if so, what is the name of the company?

2. What is the annual rental or lease fee?

3. What service, if any, is the R.C.A.F. required to provide by way of fire protection, snow removal, or any other benefits?

4. Has the company the right to provide gasoline and oils to any but service personnel?

5. Is the service station required to pay local taxes?

6. Is it a general practice to have civilian service stations located at military bases in Canada?

**Answer:** 1. No land has been leased to any oil company, however, pursuant to an agreement between Canadian Petrofina Limited and the commanding officer of the R.C.A.F. station, in his capacity of administrator of non-public funds, Canadian Petrofina Limited
