

March 27th, 1924.

Rev. Richard Roberts,
149 Drummond Street,
Montreal.

Dear Dr. Roberts:-

Rev. Dr. Duncan, who is a
Governors' Fellow on the Corporation of McGill
University, must resign that position when he
leaves the city. Would you be willing to take
his place?

As I hope to submit the
name of Dr. Duncan's successor at the next
meeting of Corporation, which takes place on
April 9th, I would be glad if you would notify
me as soon as possible as to your decision.

I trust you will give this
your favourable consideration as your presence
at the meetings of Corporation would be very
welcome to all friends of the University.

Yours faithfully,
