

Department of Agriculture and Public Works.

THE present pamphlet, prepared under the direction of the Government of the Province of Ontario, is designed for the information of intending emigrants, as to the advantages which the Province presents as a field for industry and enterprise. The present edition is the third. The work has been carefully revised and partly re-written, and has been brought down to the latest dates.

The immigration of the past season has been a decided success. All who have come to the Province and who on their arrival were willing to accept such employment as immediately offered, have been provided for and are now doing well.

In the spring of the year, circulars are prepared and distributed to the heads of all the Municipalities in the Province, nearly 400 in number, requesting information as to how many, and what kind of labourers, mechanics, &c. are needed, and the average wages paid. The returns to these circulars enable the Immigration Agents to direct emigrants, on their arrival, to places where employment awaits them.

The agents of the Canadian Government in Great Britain and Ireland, and on the Continent of Europe (a list of whom is given on the cover at the end of the pamphlet), will afford information to all persons desiring it, in relation to the Province, its resources, and the classes of emigrants most likely to succeed. Intending emigrants would act wisely in not paying their passage in Britain to any point beyond Toronto, unless they have friends in the country to whom they purpose going. On their arrival at Quebec they will receive directions from the Immigration Agent, as to their future course, which may greatly promote their interests.

Persons with small capital, preparing to purchase partially cleared farms in Ontario, are advised against concluding arrangements for purchase before leaving Britain. They will find Immigration Agents in the Province (a list of whom is also given on the cover at the end of the
