

# DAY'S Commercial College,

KING STREET, TORONTO,

FIRST DOOR EAST OF WESLEYAN BOOK ROOM.

Conducted according to British practice, with such modifications suited to the requirements of the business community of North America.

A School of business for young men—adapted to meet the wants of all classes in acquiring a sound business education. The method of instruction most practical in its character. Young men attending this College are instructed in the various systems of Book-keeping now in use in the most eminent Mercantile Houses in Great Britain, Canada, and the neighbouring States, by a Practical Accountant of twenty years' experience, acquired both in England and America—an advantage but rarely afforded by Commercial Colleges. The course of instruction embraces **MERCANTILE BOOKKEEPING, COMMERCIAL CALCULATIONS**, (embracing the subjects of Exchange, General Average, Partnership, Insurance, Bankruptcy, &c.) **Business Penmanship, Commercial Correspondence, Lectures on Commercial Law, Telegraphy and Phonography.**
