

The Province of 
New Brunswick

"The Land of Comfortable Homes"

— CONTAINS —

The Best Land Values
IN CANADA
For Intending Settlers.

Ready-made Farms may sometimes be
obtained for the cost of the Buildings
upon them. ∴ ∴ ∴

Uncleared land heavily wooded of splendid
fertility may be purchased from the Gov-
ernment at \$1.00 per acre, situated close
to two railways. Lumber Camps within
short distance make a quick market for
farm products.

New Brunswick is one of the best Apple
growing countries in the world. Orchard
lands may be obtained at very low prices
compared to other districts.
