a great variety of law-papers, reports, cases, records and waste-paper, amongst which are a number of promissory notes belonging, jure divino, *i. e. by the death of the payees, to the said scrivener; also three or four excellent copying machines called clerks. To cooks, old maids, and others, this will be a desirable opportunity for laying in a stock of paper fit for singeing turkeys, curling hair, and other purposes which may be guessed, without being expressed.*

Madam Rumpledale begs to acquaint the public, and young ladies in particular (especially such as are about to take family-orders,) that, in future, a more general course of education will be adopted in her seminary, in which literary and domestic branches will be blended, whereby young ladies will be qualified to enter the matrimonial state without bashfulness or imbecility, as, in addition to her other assistants, she has engaged the knight of the Telescope, who usually spends five or six hours with her every evening, (preparatory to the nuptials that are to take place between them.) and has kindly offered to receive a few more young ladies into the class.

ARITHMETICAL QUERY. If the Mount Royal Bank saves £300 per annum in postage, by having their packets franked by their Cashier at Government-City, how much does the post-office revenue lose, and how much does said cashier gain?

Young ladies are cautioned against appearing too often on a gallery near the junction of two streets, not twenty miles from the Old Market, with young gentlemen, as they thereby attract the notice of their neighbours, particularly the "French" people, who have quick ears and long tongues.

The ladies of pleasure of Mount Royal present their compliments to the rosy cheek'd young man, clerk in a hardware store, and wonder he does not visit them oftener. They hope it is not for fear of being put in the Scribbler, neither for fear of losing his ruddy colour: if the latter, they will spare him some of their rouge; and as for the Scribbler—be be damned.

VEL MASSA,

Since ye put Old Cuffee in de Cribbler, he rite
