

shall be filed in the offices of the respective Clerks of the Peace of the said hereinbefore mentioned Counties.

**Coffer dams.**

XIX.—The said company shall have power to erect coffer dams and such other works in the Niagara River as may be necessary for the construction of such bridge, provided the navigation of such river shall not be unnecessarily obstructed by such works; and it shall be the duty of the said company to put up and maintain in the night time during the season of the navigation, a good and sufficient light at each end of any coffer dam which may be erected by the said company, the said light to be placed at least five feet above the said dam; and also, such buoys, during both day and night, as may be necessary for the guidance of persons navigating the said river; Provided always, that before commencing the works of the said bridge, or taking possession of any part of the beach or land covered with water or other public property, the company shall obtain the consent of the Governor in Council, who may impose such terms and conditions as he shall think proper before granting permission to commence the works or take possession of any public property as aforesaid; nor shall the works be commenced until the plan thereof in all its details by which the public convenience and the facility of navigation can be affected, shall have been submitted to and approved by the Governor in Council; and the Company shall abide strictly by the plans so approved, and shall not deviate therefrom except by the express consent of the Governor in Council to such deviation.

**May use streets.**

XX.—The Corporation hereby created shall have power to use any of the streets, squares, lanes or alleys of the village of Waterloo, in the said Township of Bertie, for the erection of the said Bridge and the works and approaches thereto appertaining, provided the consent of the Municipal Council of the said Township of Bertie be first obtained.

**Governor and  
Council approve  
plan of bridge**
