Score Another For Sovereign Brand

It happened yesterday in this way: Gentleman came in who had a friend in the tailoring business. He wanted to see what our Sovereign Brand suits were like before leaving his order with his tailor friend, who by the way was to do something very special in price for him. He spent about an hour with us and looked at every suit carefully and critically (he wasn't easy.) Then he went out to see his friend the tailor. After being away about two hours he came back and bought a $25.00 Sovereign Brand Suit, and told us very forcibly that we had the tailor beat a long way in value, and he was more than pleased with the courtesy and attention shown him by our salesman. These are the kind of comparisons we like. They test us on our merits and make fast friends for Sovereign Brand.

Squad of 39 Men With Detectives to Supplement O.J.C.'s Private Officers

There will be a greater polloing of the Woodbine than in previous years. To-day Sergt. Miller with a squad of 39 men, five of whom will be mounted, will be on the ground, and Sergt. Pogue will have charge on alternate days until the close of the meet. The quota of men is made up of squads from the various divisions and will be maintained at the given strength.

In addition to eight Pinkerton men, in charge of Assistant Superintendent C. C. Murphy, privately employed by the Jockey Club, there will be a number of the city detectives constantly on and about the grounds. As yet no word has been had of any known pickpockets or other objectionable track followers from outside points being in the city, but one local crook, who has been absent from the city for some time, was noticed on the streets yesterday.

Sin Against Health

Why the Usefulness of All Organs is Destroyed by Costiveness.

Most important to health and comfort is proper action of the bowels.

By nature these organs are intended for the removal of the waste particles of matter which accumulate in the system.

Retain these wastes and you poison the blood, ruin digestion, bring on nervousness and anaemia.

Habitual costiveness is best overcome by Dr. Hamilton's Pills, which establish regularity that is exactly consistent with nature.

Not a drastic purgative—not even a pain or sensation of grip, because Dr. Hamilton's Pills are vegetable and free from irritating mineral substances found in so many widely advertised remedies.

In every case Dr. Hamilton's Pills do cure and bring sure relief from headache, biliousness and other manifestations of constipation.

Jas. McConnell of Walkerton writes: "Since I was comparatively a young man I have not enjoyed real good health.

"My appetite was good and strength kept up, yet I knew something was wrong.

"Frequently I took bilious attacks and violent headaches. My stomach was disordered, skin was murky, under my eyes were heavy dark rings.

"Last winter I read through the 'Poison's' almanac and decided my trouble was constipation. I used Dr. Hamilton's Pills, and can hardly tell the help they have been. I am now as fresh, strong and well as a boy."

Just try the wonderful magic of Dr. Hamilton's Pills. Sold by all dealers. 25c per box, or five boxes for $1.00. By mail from N. C. Poison & Co., Hartford, Conn., U.S.A., or Kingston, Ont.

TAKING MONEY FROM A BLIND MAN IS COMPLAINT

Sewers Committee Agree to Pay Man Much More Than Property is Assessed.

HAMILTON, May 17.—(Special.)—To-night George Ryan was arrested by Constables Sayers and McDonald on the charge of theft. The man who made the complain is Bruce Saunders, Brantford, a blind piano tuner.

Ryan has been driving the piano tuner thru the country, and both have been making their headquarters at the Bethel Mission. The blind man sent Ryan for a parcel this evening, which, he says, contained $94. Ryan brought the parcel, minus the money, so Saunders charges.

The sewers committee this evening agreed to pay ex-Ald. Bowerman $2700 for some eleven acres in the west end of the city, that will be needed for west end sewage disposal works, in spite of the fact that the assessment department values the property at only about $400.

The deal was held up until all the members of the committee inspected the property. After inspecting it, the committee unanimously agreed that it was worth $2700.

Ald. Kennedy wanted to know what was being done to increase the pay of the sewage disposal works men. The matter, he was told, was in the hands of the city engineer.

The committee agreed to build several sewers recommended by the board of health, but refused to build others, because they thought the board had not considered the subject very carefully.

The Niagara Synod.

At the Niagara Synod, which will open on June 18, the standing committee will recommend that steps be taken to get the government to amend the License Act, so that barrooms will be closed on Christmas Day and Good Friday. The feeling is that these holidays cannot be properly observed with barrooms doing business.

Col. Langton inspected the left half of the 13th Regiment this evening. There were 209 men and officers on parade.

Niagara Synod.

The Niagara Synod will open on June 18. At a meeting of the standing committee, Mrs. Dixon, widow of Rev. Canon Dixon, was given a grant from the widows' and orphans' fund, and St. Thomas' Church, St. Catharines, was given permission to sell part of its property.

A railway route is being staked out thru the east end of the city from near the corner of Barton-street and Birch-avenue, thru Grimsby and Winona to the Niagara frontier. It is not known whether it is the C. P. R. or Toronto, Niagara and Western Railway that is staking out the route.

The G.T.R. has consented to take the 91st Highland Regiment to Woodstock on Victoria Day.

Fifteen spinners employed by the Eagle Knitting Company, who went out on strike yesterday, were granted a 15 per cent. increase in wages to-day. The average wage for them will now be $14.50 instead of $12.50 for two weeks.

New Church.

Permits were taken out this morning for a $150,000 church for the Central Presbyterians, and a $20,000 addition to the Hamilton Club.

Rev. H. G. Livingston has been invited to remain another year as pastor of the Barton-street Methodist Church.

George Clark has been appointed leader of the Wesley Methodist Church Choir.

Sand flies have piled up several inches thick on the beach tracks of the Radial, and have been responsible for a couple of slight accidents. This morning two cars collided on this account. None of the passengers were injured, but both cars were wrecked.

King's Plate.

$100,000 lost by guessing results of the big chance. The same amount of money invested with Austen, the Cobalt Man, makes a sure win on all Larder Lake and Cobalt stock. Stocks bought and sold by Austen & Co., 17 East Main. Phone 1053.

The London Trip.

Your nomination for a free trip to London, Eng., and Paris should be sent to your friends; ask them to nominate you. Nominating blanks in The Toronto World, Agent W. Harvey, 75 James-street North, where full particulars can be obtained.

New Beach Park.

Hamilton has been promised a new amusement park for the Beach, and during the last few days it has developed that the Radial Railway people are quite largely interested in the proposition. To interest the public, Mr. Frederick Ingersoll, the promoter, has been advertising for names for the park, offering various prizes for the names suggested. The competition closed this morning and the first examination of the names submitted shows that 769 different names were suggested; but this gives no idea of those competing. One name was suggested by 41 competitors, and several names were suggested by more than thirty people.

TEACHERS GET INCREASE.

WOODSTOCK, May 17.—(Special.)—The members of the staff of the Collegiate Institute were to-day granted an increase in their salaries by the board.

Principal Levan will now get $1700 per year, while the salaries of the other teachers will be: J. M. Cole, $1250; A. M. Overholt, $1200; W. Emslie, $1100; W. G. Anderson, $1100; Mr. Mercer, $1100; F. C. Anderson, $1050, and Miss Miller, $750.

The big new addition to the institute will be ready in a short time.

Widow Says That the House Was Intended for Her.

ST. CATHARINES, May 17.—(Special.)—Patrick McAndrews and Mrs. M. J. Royal of Thorold, says The Welland Tribune, are principals of an out of the ordinary romance of recent date, which has resulted in a high court case.

It seems McAndrews and Mrs. Royal became engaged in May, 1906. McAndrews bought the place Mrs. Royal resided in at a mortgage sale. As the wedding day drew nearer Mrs. Royal wanted a deed of the place, but McAndrews refused to give it to her. Result: engagement off and hostilities commenced.

McAndrews deeded the place to his half brother, Thomas Freel, who is suing for possession of the place, which is still occupied by Mrs. Royal. Mrs. Royal claims McAndrews bought the place for her and that Freel with other relatives conspired against her and, as a result, broke the marriage contract.

The case was to have been tried at Welland High Court on Monday, but was adjourned to sitting in St. Catharines on June 17, to allow McAndrews to be made party to the action.
