CLERK BELIEVES BOARD OF HEALTH ONLY AFFECTED ONE

Legislation Against Dual Office Holding Restricted.

Apparently, the amendment to the municipal act, passed by the recent session of the Legislature, preventing members of commissions or other bodies from sitting on the council, and which led Controller J. H. Saunders and Ald. G. R. Drake to resign from the board of health, was legislation of the city's seeking.

Last year the mayor, H. A. Stevenson, had several members of the council appointed to the board of health with the idea, it is said, of having a closer control of the board by the council. Strong objection was taken to this and this led to the case being placed before the Ontario Government, which promised that legislation would be enacted to cover the point. Evidently this promise has been kept.

City Clerk S. Baker says that in his opinion the board of health is the only organization affected. The fair board and railway commission are not boards appointed by the council, while the London and Port Stanley board is really a sub-committee of the council, and in the opinion of more than one alderman, "a joke."

MADE JUDGE-ADVOCATE OF MILITARY DISTRICT TO MEET NEW DEMAND

Major G. N. Weekes Has Additional Duties to Perform.

Major G. N. Weekes, district intelligence officer, has been detailed to perform the duties of assistant judge-advocate-general in this district.

Major Weekes will carry on this work in addition to his other duties as intelligence officer. Considerable work of a legal nature has developed in this district of late in connection with the holding of district courts-martial, and though this district has never had an assistant judge-advocate-general, such an officer has now become necessary.

COULD NOT SLEEP.

"Before taking Tonal-Iron Capsules I had not had a good night's sleep in six months," writes Mr. S. of Tilsonburg. "I used to roll and toss in bed all night long and wake up in the morning feeling tired and unfit for work. A friend told me of the help he got from Tonal-Iron Capsules, and I purchased a box from you by mail. Before I took half that box I was feeling much better and getting my rest regularly. Today I feel fine and go after my work like I used to. I will certainly recommend them to my friends." Tonal-Iron Capsules are sold by all first-class druggists, or we will mail them anywhere in Canada on receipt of \$1. Do not accept a substitute. There is no other medicine like Tonal-Iron Capsules.
