MORMON FIGHTS WITH A ZIONITE

Religious Argument Winds Up in Fisticuffs-Guards Had to Interfere.

Zion City, Ill., Sept. 18.-In a clash beween Mormon elders and Zionists here today a general riot was only stopped. by the arrival of a score of guards. A crowd of 200 people, who were surrounding the stand in the main street of the north shore town, from which the Mormons were speaking, became involved in the altercation. Ex-Deacon Schumaker, of the Zion

Church, and Elders Christianson and Elliott, of the Mormon Church, were injured. The trouble started when Schumaker,

it is alleged, made a verbal attack upon the Mormons. This was resented by the Mormons, and Elders Christianson, of Rock Island, and Elliott, of Chicago, replied. Then, it is asserted, Schumaker struck Chris

tianson. Elliott came to the relief of his broth-

er Mormon and the fight became general. The sixteen Mormon elders, who are conducting the crusade for converts, charged the crowd of Zionists. They beat back the crowd, which was re-

inforced by other citizens. The Zion City guards, attracted by the noise of the battle, rushed to the

scene. Striking Mormons and Zionists indiscriminately they forced back the crowd. The Mormons rushed into the open

loor of the pure food supply house, in front of which they were speaking, and closed the heavy doors in the face of the Zionists. Later they were conducted to the

hospice. John Alexander Dowie has given up the fight to regain power in Zion and is preparing to leave Zion City for Mexico, where he hopes to regain his health and bring about the realization

INVESTIGATING THE I. O. F.

Dr. Oronhyatekha on Witness Stand-

Few New Features Toronto, Sept. 19. - Dr. Oronhyatekha was the witness before the insurance commission vesterday and continued his evidence along the line fol-

we ments showing the cost of business done liable for the assets, or any part thereof, to any persons of whose claims they shall not then have received notice. F. E. PERRIN 50 Dundes street London Ont. also made a comparison between leading company in Canada and the L O. F. on the same basis. That Canada and the United States have no division except that mapped themes in a brilliant address of Hon. A. S.
