

# INTEREST TO WOMEN

## IN HER GARDEN.

Her garden blooms as it was wont to bloom. And still amid the larks and the bluebirds. The linnets sing.

But she will never pass this way again. When springtime stirs. To comfort her the sunshine or the rain. Our grief for her.

And yet her presence seems to warm and cheer. That quiet place. That where she loved her feel less lonely here. A little space.

As if there brooded on each budding flower. Her tenderness. As if her spirit o'er each bird-filled bower. Bent down to bless.

**MANY DON'T KNOW HEART AFFECTED.**

More People than Aware of It Have Heart Disease.

"If examinations were made of every one, people would be surprised at the number of persons walking about suffering from heart disease."

This startling statement was made by a doctor at a recent inquest. "I should not like to say that heart disease is as common as this would imply," said the expert, "but I am sure that the number of persons going about with weak hearts must be very large."

"Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that kills them that the unsuspected weakness of the heart is made apparent."

"But undoubtedly heart weakness, not disease, is more prevalent nowadays. I should think that the stress of living, the wear and rush of modern business life, have a good deal to do with heart trouble. There is no doubt but that this is correct, and we would strongly advise any one suffering in any way from heart trouble to try a course of Milburn's Heart and Nerve Pills."

Amount is \$15,550 Greater Than in 1908—House of Industry Gets \$35,000.

The city's grand total charitable institutions during 1909 will amount to \$83,925, as against \$68,375 expended last year, an increase of \$15,550.

The board of control, at a private session yesterday, took up the question of the grants to the Associated Charities and made a number of additions. The most important was the making of a special grant of \$20,000 to the House of Industry in consideration of the heavy demands due to the unusually large number of unemployed. Last year the institution received a special grant of \$10,000.

Increases made in the grants were: Hospital for Sick Children, \$15,000 to \$18,000; St. Vincent de Paul Society, \$1000 to \$1500; House of Industry, \$1400 to \$1500, also special grant of \$20,000, as against a special grant of \$10,000 in 1908; Haven and Prison Gate, \$1500 to \$2000; Nursing at Home Mission (Elizabeth-street), \$250 to \$300; Children's Aid Society, \$3500 to \$4000; Girls' Home, \$700 to \$1000; Sisters of the Good Shepherd, \$450 to \$500.

The new West End Creche was granted \$300. The Ontario Kennel Club Show will get \$300, or \$100 increase, which is evened up by cutting \$100 from the \$300 granted the Dominion Day regatta last year.
