Every article of Men's Furnishings in our stock must be sold at once, and sweeping reductions have been made in keeping with the urgency of the clearance ---in many cases as low as cost.

With space at a premium, and in order to increase the area of our growing fur department, we have decided to sacrifice that portion of our men's department which includes Men's Shirts, Collars, Ties, Hosiery, Gloves, Belts, Pyjamas and Underwear only.

And the brief period before the opening of the regular Fur season means that the clearance must necessarily be short, sharp and sure.

What this means to Toronto's well dressed men is clear when it is remembered that there is not one item in stock but what is as up to date as it is seasonable. Many lines indeed have but entered the stock, and every item could not be improved upon for genuine Exclusiveness and Quality because they come from the acknowledged foremost makers in the world.

BESIDES, OUR ASSORTMENTS WERE NEVER BETTER, JUST AT THE TIME WHEN THE GOODS ARE MOST WANTED—NOR CAN THEY BE AS COMPLETE AGAIN. TO-DAY IS THEREFORE THE BEST DAY OF THE SALE, AND THE EARLIER YOU COME TO-DAY THE BETTER WILL YOU FIND THE CHOICE.

RENO, Nevada, July 2.—Ten to seven that Jeffries will win; even money that he won't win in twenty rounds, shouted the message booster outside Tom Corbett's poolroom to-night. These figures fairly represent the prevailing odds on the fight, but there was little betting. The mutuals board was opened to-day, and the form of betting gave a good indication of the way the smaller bettors regarded the match. Out of 123 tickets sold, 25 were taken on Johnson and 98 on Jeffries. Eighteen favored Jeffries to win in from one to five rounds, while but two believed Johnson had a chance in the first five rounds.

Fifteen thought Jeffries would and the fight in from six to nine rounds, and two picked Johnson, while in the tenth to thirteenth Jeffries' admirers numbered eighteen to Johnson's three.

The longer the fight the better Johnson's chances, is the way multiple figured it. For instance, from 19 to 24 rounds, Jeffries' tickets numbered 14 and Johnson's 11, and tickets for 20 rounds and over totaled 11 for Jeffries and 12 for Johnson.

Ten to seven is regarded as the probable figures until Monday, when the great crowd from San Francisco, Los Angeles and other California cities will arrive with plenty of Jeffries money.

D.M.P.A. Pigeons Fly 514 Miles.  
The D.M.P.A. flew the sixth race on the schedule from Danville, Ill., to Toronto, 314 miles, air line. There were 22 birds sent, but owing to the head wind all the way, there was only two birds to home in the time limit, the first bird to arrive home being one of A. Magee's at 11:25. The bird also won first in the 300-mile class in the show last March, when there was so much criticism about him. Following in the position of competitors. By this win Magee Bros. also win the Major Cameron Challenge Cup.
