## HAMILTON NEWS

### LIFE OF NATIONS IN THE BALANCE

Senator Weeks, at Hamilton, Speaks on Behalf of Victory Loan.

Special to The Toronto World. Hamilton, Nov. 28.—Just what the big men of the States are doing for Canada as an investment was convincingly proved to an overflowed audience at the Lyric Theatre this afternoon when the Hon. J. A. Weeks, member of the Lyric Theatre, followed up a stirring appeal on behalf of the Victory Loan by taking out a \$10,000 bond. "I want to have a stake in Canada," that was the simple language he used to explain his action. He was accorded an ovation that jarred the very timbers. It was a meeting that ranked with the patriotic demonstrations of the night before, and with the luncheon who paraded the aisles, turned in subscriptions that totaled more than \$50,000. There was no time for spectators at the ringside in this battle. The Hon. J. A. Weeks was in the balance and everyone must do all that he can to do vigorously and successfully prosecute the war.

### TROOPS RELY ON HONOR OF CANADIAN CITIZENS

General Turner Cables General Wainwright Showing Need of Reinforcements.

Canadian Associated Press Cable. London, Nov. 28.—General Wainwright, having cabled that he had no time for electioneering because he felt the supreme duty of getting 20,000 men overseas, General Turner has replied: "I cannot express to you the deep appreciation of all ranks overseas for your statement that you are working night and day to secure 20,000 reinforcements, beginning this year; we know only too well over here that the fifth division will indeed be wiped off the slate in order to reinforce the divisions in France. It is a heavy burden, but we are not immediately forthcoming. We are close to the fighting zone and know only too well the bitter struggle which the Canadian divisions are making to maintain their position. If the people of Canada would only realize that in order to maintain our divisions at full strength, men who have been wounded here in Canada will be sent home as they are fit, without the leave or rest to which they are entitled. I believe that there is not a patriotic citizen in Canada who will not stand heart and soul behind you in your endeavor. Borden has given his pledge. He will not betray us. We know that the British Empire will stand with us in our hour of utmost need. We are relying on the honor of our countrymen in Canada to be true to themselves and us in this great crisis."
