A CONSIGNMENT OF HANDSOME SILK UNDERSKIRTS

· FROM LONDON, ENGLAND

Towards the end of the week, say Saturday, we shall have important news to present with regard to a very large consignment of handsome silk underskirts from one of the largest makers in England. An important feature in connection with the offering to be is that the styles are entirely new, strikingly original, and made with a full knowledge on the part of the designers of what a silk underskirt should be to give the wearer the greatest amount of service.

Look for the announcement on Saturday.

learned by the unfamiliar ear, that the depth of feeling and sentiment of the composer cannot be appreciated and felt by a single rendition of a work upon the plano. This is more true of the piano, than of the orchestral conductor has a greater scope of tonal effects and a more voluminous scoring to inspire the hearer with. Nevertheless with a musician like Eugen d'Albert the piano stands out as the first of instruments, and the interpretation of the great masters works comes from his hand with a clearness at once appreciative and with a touch that is inspiring. Eggen d'Albert, possesses a remarkable technique with a touch that is largising. Eggen d'Albert, possesses a remarkable technique with a touch that is largising. Eggen d'Albert possesses a remarkable technique with large and never lags, no matter how long and intricate the passages are. He forces the strings to yield their full volume of power and, when required, to vibrate with that softness which characterizes the artist's tpuch. The geal is used with extreme care and caution, and to prevent himself from swinging around or a music stool.
