GOOD THINGS COMING
TO THE THEATRES
OF ST. JOHN

THE NAME "SCARAMOUCHE"

"Scaramouche" is the name given one of the characters of the old Commedia Delle Arts players of Italy and France—a sly buffoon, with a swift smile, a sharp tongue, the ability to come out of it with a whole skin.

In "Scaramouche" the Rex Ingram production for Metro coming to the Imperial Theatre on Monday of next week, the hero is a fascinating character, swordsman, wit, revolutionist, who, joining a band of strolling players at a time when his life is being sought, becomes the company's Scaramouche. Ramon Novarro enacts this character.

"Scaramouche" was adapted to the screen from Rafael Sabatini's novel of the same name, and is the outstanding picture of the year, clipping in story quality and universal popularity Mr. Ingram's other super-production "The Four Horsemen of the Apocalypse" by Ibáñez.

BUNIONS

Can Be Relieved By

Dr. Scholl's
Bunion Reducer

This appliance has a peculiar concave shape, purposely so formed to fit snugly over joint and eliminate friction and pressure from foot and at the same time also prevents the enlarged joint from forcing shoe out of shape.

Is superior to old-fashioned leather and felt protectors, as it is made from antiseptic rubber, and being worn right on bunion inside hosiery it excludes air, forms and retains a moisture pocket which keeps the joint soft and pliable, removes that hard skin or callous that so often accompanies and increases the irritability of the enlargement; also reduces inflammation.

Made in three sizes, right and left foot. Price, each 75c. Made only by

The SOLID Comfort of Walnut

DARK-GRAINED, lustrous, beautiful—Gibbard Solid Walnut furniture endows the guest room with the magic charm of hospitality.

"Walnut!" exclaims the delighted visitor. "I do love walnut."

"Yes, we like walnut, too," replies the hostess. "This is only a moderate-priced suite, but it is solid. Bob says he'd sooner have a Gibbard Solid Walnut suite, no matter what it cost, but really, you'd be surprised to know how moderate in price Gibbard Solid Furniture is."

"Solid! Is this Solid Walnut? Why, solid walnut used to cost a small fortune! And it's a lovely Chippendale design, too. Really, I am in love with it. Solid Walnut—do you mean it?"

"Yes, guaranteed genuine, solid walnut," repeats the hostess, smiling.

And she opens a drawer and shows the guarantee reproduced below, which is attached to every piece of Gibbard Furniture sold.

By specializing in the solid woods, Gibbard has brought good solid walnut, solid mahogany and solid oak furniture within the reach of people of moderate means.

Made in "period" designs—Queen Anne, Chippendale, Colonial, Italian, etc. The decorations are executed by hand carvers. Most any furniture dealer can show you examples of Gibbard Furniture. Ask him to show you the Gibbard catalogue, too. It contains the full line.
