OLD AGE

Do you know a man or woman getting on in years, whose life is made a torment by swollen joints, gravel, stone, painful grination, backache or sciatica? If so, you can perform a charitable act by telling them that Gin Pills will surely bring relief and a healthy old age. A prominent consulting engineer writes us: "Your remedy, I find at 60 years of age, to give me perfect relief from kidney and bladder troubles. I urgently recommend them to friends of my age as being the only thing that does me good." You don't have to buy Gin Pills to try them. SKATING.

Robson's Record Holds.

Alderman Louis Rubenstein, honorary secretary and former president of the Amateur Skating Association of Canada, has issued an official statement to deny the claim that the 220 yards skating record was broken at the Canadian championships at St. John, N. B. Jewtraw did the distance there in 194-5, but in 1904, on the King Edward open air rink, Toronto, a record was made by Fred Robson, of Toronto, of 192-5, and it has never been bettered. Many prominent and experienced athletic authorities, like Lou Scholes and Dr. Doolittle, acted as judges and time-keepers, and the track was measured by Professor Staurt, of the University of Toronto.

RChicago, Feb. 3—Four world's records were broken by members of the Illinois A. C. swimming team in the I. A. C. pool here last night. Miss Edna Connell broke the world's mark for women in the 100 yard breast stroke, making the distance in 1.28 2-5, four fifths of a second better than the old mark, set by Miss Ruth Smith, of Columbus A. C.

Johnny Weissmuller broke the world swims and was on a relay team that hung up the fourth new mark of the night.

In the 50 yard swim his time was 23 2-5, one fifth of a second lower than the former record held by Kenneth Huszagh, of the Chicago A. A. and Perry McGillivray. He beat his own world's merk broken by members of the Illinois A. C. swimming team in the I. A. C. pool here last night. A. C. swimming team in the Illinois A. C. swimming te

A Free Prescription You Can Have
Filled and Use at Home

Philadelphia, Pa. — Do you wear glasses? Are you a victim of eyestrain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefitted
