

WHEN GEN. BYNG READ SHORTHAND

Montreal, June 17. — A well-known French-Canadian financial man in Montreal has a rather unusual as well as pleasant recollection of the new governor-general, Lord Byng. During the war when he was acting as adjutant of a French-Canadian battalion he had occasion to receive by telephone a message from the headquarters of the Canadian Corps for Lord Byng, who happened to be visiting this battalion at the time. The adjutant, who was a skilled shorthand writer through several years' experience as private secretary in the real, took the long message on a pad in shorthand, and as Lord Byng was just then leaving the woods to enter the car he had to sprint on hundred yards to reach him in time. Lord Byng grabbed the sheet, thinking the message was written thereon.

"Excuse me, sir, but it's written in shorthand," said the Canadian.

"I think I can read it," was the confident reply, and he did. It happened that it was written in the Pitman system and in a transposition of English words, of course.

Lord Byng afterwards gratified the evident curiosity of the officers beside him by explaining that some twenty-five years ago (this is a guess—he mentioned no date) he had been a subaltern and—poor, so he took up shorthand so as to earn the gratuity that the war office offered officers to qualify in shorthand, so as to be able to report courts-martial or other similar proceedings where it might prove useful.

GEORGE E. LODER IS FOUND GUILTY

Pictou, N. S., June 16.—George E. Loder, of Summerside (P. E. I.), was found guilty of the murder of Daniel Barry, an aged Pictouian, at the criminal trial sittings of the supreme court of Nova Scotia here tonight.

Habit

Nujol will give you the healthiest habit in the world.

Without forcing or irritating, Nujol softens the food waste. The many tiny muscles in the intestines can then easily remove it regularly. Absolutely harmless—try it.

The Modern Method of Treating Constipation

YOUNG GIRLS NEED CARE

Mothers! Watch Your Daughters' Health

Health Is Happiness

From the time a girl reaches the age of two, until womanhood is established she needs all the care the thoughtful mother can give.

The condition that the girl is then passing through is so critical and may have such far-reaching effects upon her future happiness and health that it is almost criminal for a mother or guardian to withhold counsel or advice.

Many a woman has suffered years of prolonged pain and misery through having been the victim of thoughtlessness or ignorance on the part of those who should have guided her through the dangers and difficulties that beset this period.

Mothers should teach their girls what danger comes from standing around with cold or wet feet, from lifting heavy articles, and from overworking. Do not let her overstudy. If she complains of headache, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make life easier for her. She needs thoughtful care for a few years.

In all such cases Lydia E. Pinkham's Vegetable Compound should be given as it is especially adapted for such conditions. It contains nothing that can injure and can be taken in perfect safety.

Read how Mrs. Elcher helped her daughter. She says:

"At the age of sixteen my daughter was having trouble every month. She had pains across her back and in her sides. Every month her back married daughter recommended Lydia E. Pinkham's Vegetable Compound and I read the books which were left at my door. She took it faithfully and is now regular and has no pain. We recommend the Vegetable Compound and give you permission to publish this letter in your little books and in the newspapers."—Mrs. KATIE ELCHER, 4034 N. Fairhill St., Philadelphia, Pa.

Mrs. Williams will profit by her own experience. She says:

"When I was thirteen years old I had sick spells each month and as I was very backward I would bear the pain and my mother knew nothing about it. I read in the daily paper about Lydia E. Pinkham's Vegetable Compound and took my own spending money and bought a bottle. It helped me so much that I took it regularly after that until I had taken two bottles and I did not have any more pain or backache and have been a healthy, strong woman. I am now 39 years old and have a little girl of my own, and when she gets old enough I shall give her some other than Lydia E. Pinkham's Vegetable Compound."—Mrs. C. E. WILLIAMS, 2437 W. Toronto St., Philadelphia, Pa.

For almost fifty years Lydia E. Pinkham's Vegetable Compound has been relieving women, young and old, of ailments peculiar to their sex. Ask your neighbor about it, for in every neighborhood there are women who know of its merits.

Thousands of letters similar to the above are in the files of the Lydia E. Pinkham Medicine Co., and for years such letters have been published. Surely it is worth your while to make a fast trial of Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Queens County Woman Declares She Has Never Seen the Equal of Tanlac in All Her Long Life.

"I am seventy years old but don't feel a day over fifty, and all of my life I have never seen a medicine the equal of Tanlac," said Mrs. William T. Reader, of South Glens, Welshford, Queens County, N.B.

"For years I was weak and run down and, in addition, suffered a great deal from rheumatism. I had no appetite and I just had to force myself to eat. I had awful headaches and dizzy spells. To nurse matters worse my hands swelled up to twice their size with rheumatism and my fingers were so stiff I couldn't use them. My legs hurt all the time, but especially at night, and I got very little sleep.

"It certainly is wonderful how the right medicine will help one. Why, I am like a different person since taking Tanlac. I have a splendid appetite and am free from headaches and dizzy spells. The swelling has gone out of my hands and I haven't an ache or a pain left. I sleep all night long without waking once, and bless the day I bought Tanlac."

Tanlac is sold in St. John by The Ross Drug Company and leading druggists.

BIG ROUND-UP IN MONAGHAN

(Canadian Press Despatch.)

Dublin, June 16.—The government forces have been making a sweeping round up of certain areas in the last few days, with the apparent idea of making large captures and sifting them for men who are "wanted." The operations have been in progress in County Monaghan all this week. Hundreds of men were made, but today all were released with the exception of about a dozen persons.

Five cavalry regiments invested Carrickmacross, Monaghan, early this morning and commanded several private houses. They made several arrests, including a despatch carrier of the "Irish Republican Army." Similar raids occurred at Wexford and Athlone.

DENTAL EXAMINATIONS.

Dr. A. F. McAvaney is conducting examinations of dentists who wish to qualify for practice throughout the Dominion, except Quebec. Only one candidate, Dr. J. Roy Smith, of Hampton, is availing himself of this opportunity at present. The examiner received word from Ottawa that four other candidates there have not turned up. The examinations commenced on Tuesday and will continue one week, finishing on June 21. The papers will then be sent to the dental council, Ottawa, where they will be marked. Several months will elapse before results are known, Dr. McAvaney said. Some doctors take two or three examinations every year, and he expects that more candidates will undergo the remaining examinations before the week is out.

LOCAL NEWS

Atwood Bridges, one of the Canadian Rhodes scholars at Oxford, sailed from England yesterday for Canada. He will spend his vacation in St. John with his parents, Dr. H. S. Bridges and Mrs. Bridges.

Conferences between Percy W. Thompson, representing the New Brunswick Power Co., and Magnus Sinclair, of the street railway men's union, were held yesterday afternoon in an effort to come to an agreement on matters in dispute but it was reported after the meetings that no progress had been made.

The closing exercises of the Wilton school were held yesterday in the Y. W. C. A. recreational centre. The hall was prettily decorated in the school colors, blue and gray, and the pupils acquitted themselves with great credit to their industry and to their teacher's efficiency.

Burglars visited the garage occupied by Harold Goodwin and at least two other garages in City Road early Thursday morning. The thieves secured a set of valuable tools, and they stripped Mr. Goodwin's car of its batteries and self-starter. The detectives are working on the case.

The vocal recital by Redferne Hollinshead, tenor, was heard by a large audience at the Westfield Country Club last evening. Those who attended his recital in this city eight years ago and who heard him again last evening were struck by the remarkable improvement in his magnificent voice. Bayard Currie proved a most capable accompanist.

Seventy-seven students in first year medicine at McGill University have passed all the sessional examinations according to the lists issued by the faculty. In the first year dentistry thirty students have passed successfully with J. Kerr Higgins of St. John (N. B.), as prize man.

The case of Louis J. Nelson, charged with breaking and entering the store of J. Tansman, Brussels street, and with having concealed weapons on his person, was continued yesterday afternoon in the police court. Evidence that the accused had sold them articles produced in court was given by two witnesses, dealers and Detective Biddiscombe told of obtaining some of the stolen garments and of arresting the accused who was armed with three revolvers. The case was postponed.

The executive in charge of the recent fair, given by the G. W. V. A. in the St. Andrew's Rink, met on Wednesday to close up the final returns from the affair. They found that seven of the eleven door prizes had not been called for. The committee showed that holders of tickets numbers 7929, 1993, 496, 187, 2658, 7125, and 3195 had not claimed their prizes. The committee will call them at the G. W. V. A. rooms in Wellington Row.

The local speed artists are being brought to task by Provincial Constable Robert Crawford and his assistant. A group of speeders and other motor violators were brought before Magistrate Allingham at Fairville yesterday and donated sums varying from \$2 up to \$50. Mr. Crawford said last night he intended to keep up his campaign until all the motor car drivers respect the law on every road in this section of the province.

ST. JOHN MINISTER IS HONORED

At the joint lay and ministerial conference of the Methodist delegates, which opened in Sackville yesterday, Rev. J. Heaney, of this city, addressed the assembly on "The Church's Task." Missionary matters were taken up at the afternoon session, E. H. Beer, of Charlottetown, P. E. I., addressing the conference setting forth the strained financial situation now confronting the board in its operations home and abroad. Rev. George M. Young presented a report of the standing missionary committee showing total receipts from the conference for the year to be \$24,550. A report of the general educational society was made by George Trueman, M. A.

Rev. Geo. M. Young presented the report of the standing missionary committee, showing total receipts from the conference for the year to be \$24,550. A report of the general educational society was made by George Trueman, M. A. In its budget the society had made to the conference the same assignment as last year, \$5,000.

The evening session was occupied chiefly in reviewing the work of religious education. Rev. J. M. Rice, the conference secretary, presented a partial report of the work of the year in the conference. Rev. H. B. Brothard, who has been released from the pastorate by the conference to accept the appointment of the general board as field secretary for the maritime provinces, addressed the conference. Rev. P. A. Fitzpatrick presented the statistics of young people's work and the Sunday schools of the conference. The joint societies have 1,092 members, older girls' organizations,

Gouraud's Oriental Cream

A success over night. The New Improved Gillette

Patented Canada, Aug. 31, 1920

Everyone remembers the old carbon filament lamp, with its yellow glow—a tremendous advance over previous lighting methods. You remember, too, what happened when inventive genius discovered the tungsten filament, with its radiant WHITE light.

The world goes along for years doing things the same old way. Then comes some invention that carries all civilization to a new and higher plane of living.

The modern shave is the creation of the Gillette Safety Razor and Blades.

Twenty years ago, the old-type Gillette swept into every part of the world.

To-day, it is superseded by the New Improved Gillette Safety Razor—the result of Gillette experience, the first shaving INSTRUMENT OF PRECISION ever produced or even dreamed of.

Measured by the precision of the New Gillette—any other razor you've ever known is crude.

You'll see what it means to your shaving the minute you pick up a New Improved Gillette at your druggist's, hardware merchant's, jeweller's, sporting goods dealer's, haberdasher's or men's department—one of the 250,000 Gillette dealers the world over.

The New Improved Gillette Safety Razor

MADE IN CANADA

KNOW THE WORLD OVER

The New Improved Gillette Safety Razor

Uses the same fine Gillette Blades as you have known for years—but now your blades can give you all the luxury of the finest shaving edge in the world. Identify the New Improved Gillette by its

- Fulcrum Shoulder

- Micrometric Precision
- Automatic Adjustment
- Diamond Knurled Handle
- Diamond Trademark on Guard

Finer Shave—Longer Service—More Shaves from your Blades.

\$5.00 Everywhere

Note.—The Gillette Company assumes full responsibility for the service of Gillette Blades when used in any GENUINE Gillette Razor—either old type or New Improved Gillette. But with imitations of the genuine Gillette, it cannot take responsibility for service of Blades.

MORNING NEWS OVER THE WIRES

Hasley F. Moore, night clerk at the Greenville, Me., Y. M. C. A., dropped dead in the Greenville police court while giving evidence against a man who had attacked him. He had been hit over the head with a heavy flashlight and an autopsy disclosed that death was due to a fracture of the skull. His assailant, Ernest Smith, is being held pending action by the attorney-general. Moore leaves a wife and three children.

ONE-MAN CAR IN OPERATION

The special features of the car as explained by Mr. Fuller were as follows: Brakes—A hand service brake, of the best recognized type, capable of handling the car under all conditions. An emergency brake, within easy reach, entirely independent of the service brake and operated by hand wheel of liberal dimensions. Generating brake. Direct electric brake by using reverse.

Doors—The forward door is the service door, acting as both entrance and exit. Controlled by a suitable lever, mounted, and in a convenient position. This door cannot be locked if closed from the outside of the car, thus eliminating the danger of carmen locking himself out if door is closed. If the door is operated through the lever provided the door becomes locked in a closed position. The operation of this door raises and lowers the forward step and also opens and closes the electric circuit to the motors making it impossible to start the car unless the door is closed. This is a safety feature. The rear door is to be used solely as an emergency exit and cannot be opened except by raising the seat in front of it. This seat is lettered with a suitable inscription. The opening of this door lowers the step in position for passengers to alight. When the door is in a closed position the step is automatically locked in such a manner that children or others cannot ride on it.

Fenders—The car is equipped with safety fenders of the type generally used on one-man cars. The forward member of this fender when coming in contact with any foreign object on the track such as a person, dog, or other obstruction, automatically unlocks the rear member which drops to the ground thus preventing the object from passing under the wheels or trucks. This is light and rigid, conveniently operated, and practically fool-proof.

Operation—The operation of the car in general is unchanged, with the exception that a more modern method of controlling the sand has been applied. This is controlled by two push buttons conveniently located, one delivering sand in front of the wheels, the other rear of wheels for the purpose of preventing car slipping backward.

FOREMANS MAY RETURN

Belgian Cue Champion Sails—Anxious to Meet Hoppe.

(N. Y. Times.)

Edouard Horemans, Belgian champion billiardist of Europe, sailed from New York the other day on the Red Star liner Lapland for his home in Antwerp to visit his mother and sister. He plans to return to the United States early in September, and it is his intention to make this country his permanent home. It can persuade his mother and sister to accompany him. In making out his income tax report before sailing Horemans classified himself as a resident alien, indicating that he claims America as his residence.

N. S. BANK HAS NEW BRANCH IN SANTIAGO

Washington, June 17.—(By Canadian Press).—A report received from the U. S. consul at Puerto Plata states that the Bank of Nova Scotia has opened a branch at Santiago. The Canadian bank already has a branch in Santo Domingo City and took the opportunity afforded by the closing of the local branch of the American Foreign Bank Corporation to extend its activities to the north of the republic.

TEAMSTERS AND CHAUFFERS.

"Teamsters' and Chauffeurs' union held their regular meeting last evening in the Trades and Labor Hall in Prince William street. The meeting was largely attended and two new members were initiated. The president of the union, A. Kirkpatrick, occupied the chair.

Give This to a Constipated Baby

Why Dr. Caldwell's Laxative Syrup Pepsin is the Favorite Constipation Remedy with so Many Mothers

YOUNG Mothers in the midst of bringing up a family of small children should consider it a duty to investigate the action of the various remedies for constipation. This is the ailment most common among children, and it often leads to serious diseases. It is important for the mother to know the right remedy to give, for they differ widely in action.

Children do not take kindly to drastic drugs, salt waters, calomel, physics, castor oil, cathartics, mercurials and such things, and they find difficulty in swallowing these harsh medicines even when disguised in sugar-coated tablets or pills. It is not only that the child doesn't like the taste, but these drugs are so violent that they wrench the little system. They should not be given to children.

Thousands of wise mothers, after having tried many things, give only a combination of simple herbs with pepsin, known to druggists as Dr. Caldwell's Laxative Syrup Pepsin.

The formula is on the package. It is a mild, gentle remedy, free from all narcotics, that relieves constipation and its symptoms, such as headache, biliousness, colds, fever, indigestion, loss of appetite and sleep, and it does it without griping or weakening. A bottle of Dr. Caldwell's Laxative Syrup Pepsin can be bought at any drug store for sixty cents and is enough to last an average family many months.

Last year over eight million bottles of Dr. Caldwell's Syrup Pepsin were sold in drug stores, the largest selling liquid laxative in the world, and as the preparation has been on the market over thirty years the second generation of mothers are now giving it to their babies. No careful, well-regulated home will be without a bottle for a mild, safe constipation remedy like this may be needed by someone in the family any minute. Every bottle is guaranteed to do exactly as claimed for the ailments of the stomach, liver and bowels or your money will be refunded.

There are heads of families who will want to prove to their own satisfaction that my Laxative Syrup Pepsin is as effective in constipation, as mild and gentle in action, as pleasant-tasting and safe, as I claim. Let such write me for a free sample. It will be sent postpaid. Simply say "Dr. W. B. Caldwell, 19 Front Street, Bridgeburg, Ont. Send a free trial bottle of your Dr. Caldwell's Laxative Syrup Pepsin to— and give your name and address. I will see that the rest is attended to promptly."
