THE OPERA HOUSE

The saying "Something New" in the show business has been oft repeated that it has lost its usefulness, but really the bill offered by the Cameo Revue for the last half of this week is different and good. The Cameo Trio composed of George Rubin, Dew Caron and Tommy Anderson, deserved first place in a bill full of melody, with the comedy an important feature.

Miss Sunshine, who will be remembered by vaudeville fans, she having been through here when the Opera House was playing vaudeville, gets her offerings over in good style; the inimitable Grace Howard continues a favorite as evidenced by the rounds of applause that greet her; Geo, Ruben and Tom, Crowley continue to dish upfunns gags and the chorus shows the effort of a good deal of rehearsing. Taken altogether "A Night at the Cabaret" is a clever concoction of myrth melody, musleal and pretty girls.

Mr. Anderson announced from the stage that the regular amateur night is scheduled for tonight and a surprise matinee for the kiddies on Saturday afternoon.

THE BEAULY OF HEALTH

Newspapers and magazines are devoting columns to magic or over-night beautifiers. There is a beauty in health that is far more attractive to men than mere regularity of features or a made-up complexion. Health should be the first essential of women who want to win and hold admiration, respect and love. At the first indication of ill fiealth as indicated by dark circles under the vousness, irritability and melancholia, women should take Lydia E. Pinkaham's Vegetable Compound, the standard remedy for woman's ills, which has been proven to help 98 out of every 100 women who try it.

She knows Canadian History and is indeed an ideal wholesome type of Canadian young womanhood. The same qualities should be looked for from the ideal American or British girl. I was struck by the complete absence of flapperism in Miss Blair. She is certainly no flapper, but a ninteen-year-old young woman, who would make a favorable impression in any society, and would hold her own in fashionable circles, while quite as easily she would make friends among the masses."

### YESTERDAY WITH MISS CANADA

MISS CANADA

Miss Canada had a busy day yesterday. In the morning she rested and in the afternoon went shopping like many another wise woman to take advantage of the buyers' carnival being conducted by the city merchants. At noon, with Miss Halifax, Miss Moncton, their chaperones and others she was a luncheon guest of Mrs. Frank L. Peters at her home in Germain street. She dined quietly at the Royal in the evening and later with the other Queens, went to the Carnival at the Arena. She intended going to the Lancaster military hospital this morning partially on request of the patients there and more particularly at her own wish as she and the other members of her family were constant visitors there during the time her father was a patient there. She may also visit other institutions.

Miss Halifax and her chaperone, Mrs Ernest Girvan, will leave tonight for Montreal.

A telegram was received yesterday from Mayor J. F. Edgett of Moncton saying that the Brunswick Hotel would be pleased to have Miss Canada and Miss Moncton and their chaperones as its guests. Miss Canada will go to Moneton on Monday morning.

On Wednesday evening the officers and members of Dominion L. O. B. A., No. 18, celebrated their twenty-seventh anniversary with a waist-line social, F. L. Potts acted as chairman, assisted by H. Sellen. The following programme was carried out:—Piano solo, Miss Ruth Wood; recitation, Mrs.
