The School was first established in the village of Weston, near Toronto, and was opened May 1st, 1865. In consequence of the liberal offers of assistance made by the inhabitants of Port Hope, during the summer of 1868, the School was removed to that town, where it was established in buildings provided by the townspeople, free of rent for three years. Early in 1871, this property, consisting of ten acres of land, together with the buildings upon it, and situated on one of the most picturesque sites in Canada, was purchased by the School. The erection of large permanent buildings, designed by H. Macdougall, Esq., Architect, Toronto, was then proceeded with. They are intended to furnish accommodation for about seventy-five boarders, with apartments for Masters, Matron, and Servants, and will be ready for occupation at the commencement of Michaelmas Term. The School is under the control of the Corporation of Trinity College, which exercises its powers through a committee appointed in the year 1866, under the title of the Governing Body.
