**WISTAR'S BALSAM**  
OF  
**WILD CHERRY**  
THE GREAT REMEDY FOR  
**CONSUMPTION,**  
and acknowledged by many prominent physicians to be  
the most reliable Preparation ever introduced  
for the RELIEF and CURE of all  
**LUNG COMPLAINTS.**  
This well known remedy is offered to the public, un-  
der the signature of the proprietor, who has been  
courted to in season, seldom fails to effect a speedy  
cure of  
Coughs, Colds, Croup, Bronchitis, Influenza,  
Whooping Cough, Hoarseness, Palao or  
Soreness in the Chest and Lungs,  
Bleeding at the Lungs,  
Liver Complaint, &c.  
The unequalled success that has attended the applica-  
tion of this medicine in all cases of  
**PULMONARY COMPLAINTS**  
has induced many physicians of high standing to employ  
it in their practice, some of whom advise, as of their own  
over their own signature. We have spent only for the  
cure of a few of these:—

Such testimony  
CANNOT BE DISCREDITED.  
From the mass of evidence in our possession we select  
the following:—  
From L. J. RAINE, Esq.,  
of La Riviere, Montreal. "Having experienced the  
most gratifying results from the use of Dr. Wistar's  
Balsam of Wild Cherry, I am induced to express the  
conviction which I have in its efficacy. For some  
months I was much afflicted with a severe and  
obstinate cough, accompanied with acute pain in the  
side, which I could not leave my summer or winter  
residence. At the instance of a friend I com-  
menced taking the Balsam, from which I found immediate relief,  
and after having used four bottles I was completely  
restored to health. I have used the Balsam in my fam-  
ily, and administered to four children, with the happy  
result, I am sure that such Candies as use the Bal-  
sam can be truly said to be acknowledged as the  
remedy for children."  
A CURE FOR WHOOPING COUGH.  
St. Francis, C.E., Aug. 21, 1868.  
Messrs. SETH W. FOWLE & SON.  
Clergymen, several months since a little daughter  
of mine (aged 2 years), was taken with Whooping  
Cough, and after many remedies, and medicines, I  
saw her for some time in any way to relieve her suffer-  
ings. At length I decided to try a bottle of Dr. Wistar's  
Balsam of Wild Cherry. In three hours after she had  
commenced using it, she was entirely relieved, and in less  
than three days was entirely cured, and is now well. I  
have effected a similar cure in the case of many of my  
neighbors, who have used it, and in no case have I  
known of it failing to produce a cure. I am sure that  
you are at liberty to make any use of the above you  
think proper. If it shall induce anybody to try your  
Balsam I shall be glad, for I have great confidence in it.  
Yours,  
E. G. QUINN.  
Proprietor of the *Corrier de St. Jacques.*
