NANAIMO. Nanaimo, Oct. 14.—H. M. S. Royal Arthur and Nymph called here on Saturday. The Nymph left again on Saturday and the Royal Arthur remained until today. The latter was beset by visitors yesterday, and small boats were at a premium all day. Morgan Jones was united in marriage on Saturday night to Miss Hilda Collins.

GOLDEN. Golden Bn. Mr. W. C. Wells, of Allister, received a telegram from New York on Saturday asking him to repair there immediately to identify the body of a murdered man which was at that time lying in the morgue and supposed to be his son, George Wells. Mr. Wells left on Saturday No. 2 on his sad mission.

MIDWAY. Midway Advance. As showing the progress for the establishment of a money order office at Midway, we may mention the fact that on last week's mail, no less than seventeen registered letters left the postoffice for points north and east.

VERNON. Arrangements have been made by Professor Robertson to send the travelling dairy to this district in about two weeks. It will visit Armstrong on the 21st inst., Vernon on the 22nd and Lumby on the 23rd.

REV. DR. McKAY. The Formosa Missionary Talks of His Work on the Island. First Presbyterian church was crowded last evening to hear the Rev. Dr. McKay, the Apostle of Formosa. He described in a thrilling manner what he had seen and done in many years in different parts of Formosa, the attacks made on himself and his helpers, the destruction of his churches, and the springing up of others out of their ashes, and with all the protracted care and overtaxing providence of God.

KAMLOOPS. Inland Sentinel. The Dominion Geological Survey party returned on Wednesday night from work during the summer in the vicinity of Mabel Lake, Okanagan district. James McEvoy was in charge this summer. Dr. Dawson not coming out at all, and he was with him last year, while Broncho Joe was again in charge of the transportation department.

GRANITE CREEK. Inland Sentinel. Hugh Hunter, provincial assessor, collector, mining recorder and constable at Granite Creek, was in the city this week. Mr. Hunter says that the revenue from the Granite Creek division will this year show a large increase over last year, owing to the number of claims have gone in to work on mines, as well as to leases. The hydraulic companies are also pushing work forward.

LOCAL NEWS. Gleanings of City and Provincial News in a Condensed Form. From Friday's Daily. Cunniff & Hinton have been awarded the contract for wiring the new parliament buildings.

year-olds was taken by E. O'Rourke's Cinderella, Leighton's Hazel, aged five, flying the track. The 2-40 trot did not take place. The trotting and pacing race for two-year-olds was taken by Cameron's Trilby—three starters. Running, mile heats, two in three, was the big event of the day.

Official maps of British Columbia, 1895, issued under authority of the Chief Commissioner of Lands and Works, are now for sale. Messrs. E. B. Marvin & Co. yesterday shipped to London 40 casks of seal-skins, comprising the catches of the schooners Triumph and Annie E. Point.

Jack Stone, a Nlhat Indian found with liquor in his possession, was fined \$25 in police court this morning. George, a Port Rupert Indian who had drunk his, was fined \$5. John Smith and Louis Olsen, civilized drunks were in the court building, and the complaint leading to his arrest was made by the provincial police.

On exhibition at the store of Dixy H. Ross & Co. is a wonderful apple grown by Thomas Barker, of Rocky Point. It is a fall pippin, is well formed and clear, and tips the scales at one and one quarter pounds. Mr. Barker has raised a fine lot of apples this year, and they have found ready sale.

The members of the City Council had a conference last evening with W. J. Taylor, city solicitor, and James L. Raymur, water commissioner. The session, which was held in the committee room, and lasted for a couple of hours. It is understood that the complaints of farmers over the pollution of the Colquitz by the work being done at the water works and the city's liability connection with the same were under discussion.

Philip Vigelius was fined \$20 and \$27.75 costs in police court this morning on conviction for an infraction of the Health by-law. The Baptist convention was brought to a close on Saturday evening and yesterday the visiting clergymen occupied pulpits in the city churches.

From Monday's Daily. Birdie Kazar was in police court this morning as prosecutor, perhaps for the first time in her career. She complained against Harry Edwards, who made things very lively at Birdie's Chatham street residence last evening. They are ordinarily pretty fair friends, but last night Edwards was fighting drunk and smashed a toilet set, broke some crockery and kicked in a door.

His Honor the Lieutenant-Governor has been pleased to make the following appointments: John Joseph McGee, clerk to the Queen's Privy Council for Canada, to be a commissioner under the "Oath Act, 1892," for taking affidavits in and for the courts of British Columbia; Thomas Livingston Haig, of Rev. within and for the county of Okanagan; Ezra Evans, of Manson creek, to be mining recorder within and for the Omineca Mining Division of Cassiar

district; Martin Joseph Blanchfield, of Butte Inlet, to be a Justice of the Peace within and for the Comox electoral district; Albert Edward Edgar, of Kamloops, to be second timer inspector; Anson Wheeler, of Nelson, to be a notary public and for the province of British Columbia.

Notice is given in the Gazette that on and after the 1st day of November next, all alluvial gold mining claims, hydraulic and dredging mining leases, legally held in the District of Columbia, under the provisions of the "Place Mining Act, 1891," and amendments thereto, may be laid over till the 15th day of April, 1896, subject to the provisions of the act and amendments.

Mr. A. S. Halliday, C. E., of San Francisco, leaves shortly for Nelson, where he will superintend the construction of one of his rope tramways for the Hall Mines Company. The line will be 4 1/2 miles long, extending from the company's mine to Nelson.

Mr. D. Jordan, who recently opened a coal mine at Wellington, expects to ship to Victoria by November 1st. Being unable to make arrangements with the E. & N. Railway Company, he was forced to build a tramway to Nanogee Bay, and will ship coal from there by steamer.

Contractor Bennett is engaged in building a yacht for Walter Cline. It will be the largest yacht ever built in British Columbia and is expected to be fast enough to compete with the fastest boats on the coast. She is to be built of British Columbia fir with hardwood finishings. Her dimensions are: 60 feet over all, 44 feet, 8 inches on the water, 39 feet, 6 inches keel, and 15 feet beam. She will draw 4 feet, 6 inches amidships, or 35 feet with centre-board down, 6 feet, 6 inches aft, and 5 feet, 6 inches forward.

Special Constable Moore of Sidney is authorized for the statement that since the game season opened two weeks ago a total of 500 grouse and 444 pheasants have been brought into the settlements. Most of the game he says were killed on the island beyond Saanich peninsula. The figures do not include birds conveyed away without being seen, those killed by settlers or those killed contrary to law. The killing of 1,000 birds in a somewhat small area in two weeks is looked upon as a clear evidence of over-hunting. There has, in fact, been too much hunting around Sidney and North Saanich.
