## To Attend The Funeral

German Crown Prince Reached England To-day and Was Received by Emperor.

Newspaper Correspondents Admitted to Osborne House to View Remains.

(Associated Press.)

Cowes, Jan. 26.—Emperor William left Cowes at 8 o'clock this morning on the Royal yacht Albert to visit Portmouth. There he was met by Crown Prince Fredrich Wilhelm, who started from Potsdam for England yesterday morning.

Met the Crown Prince.

London, Jan. 26.-Frederick William. the German Crown Prince, was met at the landing at Port Victoria this morning by an equerry of the King and a member of the German embassy, who accompanied him to London on his way to Osborne. The Crown Prince, who wore a black suit and a felt hat, remained in his saloon carriage during the few minutes the landing at Port Victoria this morning saloon carriage during the few minutes which were occupied in changing en-gines at Victoria station. As the train started for Portsmouth, he uncovered his head in response to the salute of on-

Exhausting The Supply

Black Clothes Are Being Generally Worn Throughout the British Isles.

Factories Running Night and Day in Order to Meet the Demand.

(Associated Press.)

London, Jan. 26.-The after effect of Queen Victoria's death on business is vital and widespread. It affects dealers in all sorts of clothing and furnishings, and all goods connected with amuse in shop windows throughout the Empire. The milliner's stores are filled with black of black clothes, gloves, neckties and hats. In London every Englishman who Eufalia immediately for a conference. can afford it is wearing black clothes.

Draped With Black.

colored goods, particularly in the case of London firms accustomed to depend on court and society business. On the other hand dealers in black

goods will be able to sell their entire stock at a very great profit. In fact a famine in black goods is threatened. The British orders are exhausting the resources of the French and German manufacturers. It is said that Lyons. Dresden and other continental centres are already refusing more orders. One London, it is announced, has already declined 2,000 orders. The same story tory. These Indians are outside of the comes from other factories which running night and day to supply dedifficult to say how and

Where the Demand Will End. will be prolonged for the whole season, the trade will be revolutionized, and some branches will be paralyzed." An-

Extraordinary reports are current as to the amount of insurance on the Queen's life by storekeepers and theatrical managers to prevent losses under the conditions prevailing. The sum of £250,000 is one estimate of the total. Theatrical managers hastened to apply to the insurance companies when Her Majesty's illness became known, and found the rates of most of the companies prohibitive. The

Shares of Certain Insurance Companies have fallen this week from one-quarter to one point, but the majority are unchanged. Reputable brokers informed a representative of the Associated Press that the amounts are encaperated. The best companies considered the risk too speculative, but a majority of the surances were taken so long ago that plenty of reserve has accumulated The premium on the Queen's life a month ago was five per cent. When her illness was rumored, it rose to fifteen per cent. in a day. On Saturday last, it was thirty per cent.

The majority of the leading theatres are draped with crape and have posted black bordered announcements that they ore critical every hour. The American will be closed until "After the funeral or long in Venezuela continues to protest our beloved Queen." our beloved Queen."

Sober English journalism was shocked ecided to increase all fire insurance at the display around Osborne House rates a dollar per thousand, except on by the correspondents of the new English lodge gates following the solemn announcement of the Queen's death cer tainly did not fit the occasion. A crowd of reporters assembled with cabs, horses bicycles. Hardly had the words "Her Majesty has passed away," fell from the official's lips when the reporters and messengers, with a wild whoop, started to race down the steep hill half a mile, to the telegraph office, some of

> Sprawling From His Bicycle, which skinned his face in the dirt, where upon he knocked down the aggresso The court officials have been active in running to earth false reports like the ready secured the recall of two corres

> pondents. They are now investigating the sources of the premature announcent of Her Majesty's death, published in America, for the purpose of acting against the authors. Having access to all the telegraph and telephone messages, they have discovered that no report was sent from Cowes before the Queen's death, therefore it must have been "faked" in London or America.

> A unique illustration of British adherence to traditions marked the signing of the proclamation at St. James Palace. The Lord Mayor is always one of the signers, whereupon, according to the view of the Privy Councillors, he must retire before the King enters and the speeches are made. An ancient picture represents the Lord Mayor among the receivers of the King, therefore mayors invariably claim this right. On Wednesday, however, the Duke of Devonshire, lord president of the council, requested the Lord Mayor to leave the room, which he reluctantly did.
