Vegetine.

IS RECOMMENDED BY ALL Physicians.

Valley Stream, Queen's Co., Long Island, N. Y. Mr. H. R. STRWENS—

Dear Sir.—I take the pleasure of writing you a small certificate concerning Vegetine prepared by you. I have been suffering with Dyspepsia for over forty years, and have had the Chronic Didrirhozs for over six months, and have tried most everything, was given up to die, and did not expect to live from day to day, and no physician could touch my case. I saw your Vegetine recommended to cure Dyspepsia. I commenced using it and I continued doing so, and am now a well woman and restored to perfect health. All who are afflicted with this terrible disease, I would kindly recommend to try it for the benefit of their health, and it is excellent as a blood purifier.

VEGETINE.—When the body becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, the Veorrine will renew the blood, carry off the putrid humor, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

The St. John Sun appears to be in a very malicious, uncomfortable and hysterical mood just now, because none of the Liberal papers have treated its attacks on Mr. Weldon, M. The Post would be surprised, on taking up the Miramichi Advance—the organ of the Grit Party in the Gulf counties—to find Mr. Weldon's infamous slanders endorsed and approved by that paper in these words, following the extract from Mr. Weldon's speech:—

The first objection of the Sun to our emarks on what Mr. Weldon said is one characteristic of Tory morality. It assumes that because St. John merchants patronize the ADVANCE we are, therefore, debarred from publishing what we believe to be true. There are, no doubt, a large number of persons within the Sun's party who are kept there by the loaves-and-fishes-who would support any party or person to advance their own personal interests at the expense of the country: but there are a few others who have independence themselves and also admire it in others-no matter which party they belong to. The ADVANCE has a few advertisers of the latter class in St. John. It has failed to secure many, no doubt, simply because they were inoculated with the Sun's doctrine and belonged to those first named. Indeed, we have been They are sensible of the continued tisers that this paper was on the side of politics for them to patronise, but it has been interesting for us to find resentatives of the same concerns in Chatham, hat in hand, seeking the patronage of "Grit" merchants with the same ardor as certain leading Conserva-

From the Local standpoint, this election has been disastrous to Hon. W. E. Perley. Mr. Taylor was Mr. Perlev's candidate. But Mr. Perley was auxious to secure a supporter and so he took up Mr. Taylor. He was unable to elect his man, and as he has been defeated in his own Parish, we should suppose that whatever of influence he possssed in the local government is now reuced to an infinitestimal point. Mr. White thoroughly knows the County and will make a good member. After Mr. Perley's efforts to defeat him, he is not likely to become a supporter of Mr. Perley.
