Subscriptions Are Coming In Fast In Standard and New Star Bermuda Contest

Early Contestants Are Much in Evidence and Vote Standing Next Week Will Tell Story Effectively--Coupons Are Only Good for Seven Days After Today.

Continued From Page One

A word about supporting your candidates. Seems as though it would not be amiss for the different friends to devote some of their time to assist their candidates to win by producing votes or securing a few subscriptions. It would be appreciated. If each friend of a candidate represented in the contest should pay one year for The Standard or New Star it would be doing nothing more than carrying out the doctrine of "Fraternity."

Get busy. Help some of your friends. Your friends need your support. Now is the time to give them that support.

They want to be winners. Votes will make them winners. From this time on the contest will be lively; it is now anybody's race. The first may be last and the last may be first.

Many may have a larger army of friends working for them than others. That is their good fortune. But after all it is a matter of hustle. The race will be to the candidate who works.

There are no sure things in this contest. The clinch is for the one who makes up her mind that the trips are not to be won until the final vote is counted and that every day is the time for untiring hustle for votes.

No aspirant for a political office was ever more busily engaged in lining up his friends for a coming election than are the candidates in this great popularity contest.

Below is the list of nominations—choose the girl you want to support and send in coupons ready for first vote exhibit next Monday:
