

EXPECT BOOST FOR R.K.Y.C.

Extension of Membership to Junior Yachtsmen, and Opening of New Class, Will Benefit Club—Races Planned

With preparations going on for three, and perhaps more, international sailing races on the Great Lakes, two at least, ocean races from Europe to America, and with nearly every yacht club on fresh water from Duluth to Montreal, and on the sea coast of both the Atlantic and the Pacific oceans, preparing elaborate programmes for carnivals, regattas, and racing events, there is good reason to conclude that the majority of the population of the country living near the water have been infected by the aquatic sporting microbe.

Nor has St. John escaped the spread of the infection; for all throughout the winter there has a strong, but quiet movement been going on among yachtsmen, and would-be yachtsmen, with the object in view of making the season of 1911 a memorable one in the annals of yachting and yacht racing on the Kennebecasis and St. John rivers.

The members of the Royal Kennebecasis Yacht Club, which has always led in everything connected with yachting hereabouts, are taking a particular interest in these matters, and after many meetings, consultations, etc., are now completing the arrangement of a list of racing events, which will surpass anything ever attempted by this club in the past.

The Royal Kennebecasis Yacht Club is in a particularly vigorous and prosperous condition. They own a fine club house, with large grounds at Millidgeville, which grounds have just been considerably enlarged by the purchase of a large lot adjoining the club house on the property, with a marine railway for the use of the members; also several large boat and locker houses, power house, ice house, piers, landing stages, and many other conveniences. Their property is all paid for; there are no debts, and the membership, which is about the largest in the history of the club, is increasing.

No doubt the membership of the club will show a big jump in numbers during this season, for the club has just provided in their constitution for a junior membership which gives to boys and young men between the ages of 16 and 20, by the payment of a very low annual fee, all the advantages and conveniences of the club house, etc., at Millidgeville, and also opens to them all races, etc.

To encourage the younger members to become active and to take part in the sailing and racing game, a special class has been made for the so-called sailing dory, a safe, seaworthy, and fast type of boat, and one which can be purchased or built at a very low cost. The sailing committee of the club have arranged for this class a series of five races to take place during the summer, and very liberal cash prizes are offered for competition.

In fact, a winner in this class will receive a prize that will almost cover the whole cost of his boat. There will be published later further particulars of these boats, races, etc.

WHICH MAN WILL CHICAGO CHOOSE?

CHARLES E. MERRIAM, Republican.

CARTER H. HARRISON, Democrat.

Chicago, Ill., Mar. 1.—Carter H. Harrison, Democrat and Chas. E. Merriam, Republican, are today the nominees of their parties for mayor of Chicago, after one of the hardest fought primary campaigns on record.

There were five candidates on the Republican and three on the Democratic side.

Politicians assert that the campaign for the election in April will be the closest in years. The election yesterday passed off with little trouble. Only one man was killed, something unusual, and the score or more small disturbances were quickly suppressed by the police.

Of the candidates Carter Harrison has a heterogeneous backing, including in particular, Hearst's Chicago

American, which opposed him in 1904, but which supports him now, rather than Dunne, because of the coolness that arose between the Hearst people and Dunne just after the latter became mayor.

Prof. Merriam is a people's candidate. He got into the game early and had a big ball rolling before the Republican and Dunne just after the latter became mayor.

W. E. Rodriguez, the Socialist candidate, was assured of his nomination for he had no opposition.

WHO IS HE?

Do you know this man? If so, write the sporting editor and tell him who it is. In trying to do an artistic job the artist left so much of the top piece exposed that it scarcely remains a puzzle. However, it was too late to mull it up any more, so the sporting editor decided to take a chance although confident the fans will recognize him without trouble. Tomorrow the man's identity will be revealed.

MARYSVILLE PUTS IT OVER SUSSEX 4-1

Crescents Finish League Season with Very Creditable Record—Wade Shoots Two Goals.

Fredericton, Mar. 2.—Marysville won the N. B. H. L. game from Sussex at the Arctic rink tonight by a score of 4 to 1.

The teams were: Marysville Goal, Sussex Fullerton... S. Mile Point. Inch... Fenwick Cover Point. Hovey... Eveleigh Rover. Bird... Courtenay Centre. Wade... Leclair Right Wing. Dennison... Mace Left Wing. Robertson... White Referee—Sandy Staples.

First half—Marysville, Hovey, 8 mins.; 2, Marysville, Wade, 3 mins.; 4, Marysville, Robertson, 4 mins.; 2, second half—Sussex, Mace, 8 mins. Penalties—1st half, Bird, 3 mins.; 2nd half, Dennison, 3 mins.; Eveleigh, 3 mins.; Robertson, 3 mins. Total—Marysville, 9 mins.; Sussex, 3 mins. Halifax, N. S., March 2.—The Moncton Victorias, professional champions of the Maritime Provinces, were defeated by the Halifax team tonight by a score of 8 to 6.

The game, although keenly contested, was not nearly as spectacular as the previous contests that have taken place here this winter. For the first ten minutes the game was slow, but after that it became more interesting.

Halifax had two new men on their line-up, "Jimmy" Hilton, of the Wanderers, played goal, and Dunphy of New Glasgow, held down rover. Hilton stopped numerous shots. Dunphy was one of the stars of the game, and his brilliant work was a feature of the game. The Halifaxians played superior hockey to Moncton. Frank Condon, the former star of the Halifax team, did not play.

The game was exceedingly rough, Norman being the principal offender. Stuart was twice injured, and was marked all the time. There was considerable delay over disputed goals, and Doran made himself most unpopular by his effort in trying to do Halifax out of a goal after Dunphy had twice stopped the rubber past Wortman. After considerable delay, the Halifaxians were awarded the goal, but Doran insisted on having the goal judge changed.

Montreal, March 2.—Wanderers had an easy victory over Ottawa at the arena tonight, the final score being 11 to 7 in their favor.

Renfrew, Ont., March 2.—What remaining chance Canadiens had to tie with the Ottawa for the championship of the National Hockey association, was made slimmer here tonight when the Renfrew septette defeated the fast Montreal team.

Toronto, March 2.—Varsity won the senior intercollegiate championship tonight when they defeated Laval before the smallest senior crowd of the season, by the score of 14 to 5, the local collegians leading at half time by 8 to 2.

NO RECIPROcity FOR FARMERS

Resolution in Favor of Agreement Hastily Withdrawn When Demand is Made—Kings County Man President

Fredericton, Mar. 2.—At this evening's session of the Farmers and Dairyman's Association the committee who were appointed on Wednesday evening to consider the motion made by F. A. Dixon regarding the representation of farmers in the Dominion and provincial parliaments presented a resolution in favor of forming an independent farmers' party, which carried.

J. Morris Scovell introduced a resolution asking that the provincial government introduce legislation regarding the registration of stallions. On motion the matter was left to the committee on stock.

A petition was prepared for presentation to the provincial government, asking that the government encourage land draining by purchasing a power ditch similar to those in use in Nova Scotia and Ontario where good results have been secured.

J. E. Porter, ex-M. P. for Victoria introduced a resolution favoring reciprocity, in introducing the resolution he said he was a Liberal because he was a Free Trader.

There were cries of "Withdraw it" and Mr. Porter decided to do so, and withdrew his motion.

G. E. Fisher read a paper on the social conditions of farm life.

Election of Officers. The nomination committee presented their report of the following nominations:

President—Walter Limerick. Vice-president—A. J. Jenson. Cor. Sec.—George E. Fisher. Rec. Sec.—E. M. Fawcett.

Westmorland—D. S. Mann; Albert—R. A. Smith; St. John—J. P. Barrett; Charlotte—Elwell Emmerson; Kings—Edgar Shanney; Queens—Isaac Baird; Sunbury—Ashley Harrison; York—Jas. Douglas; Gloucester—John Miller; Kent—Marcel Porter; Carleton—Robt. Reynolds; Victoria—C. O. Hanson; Madawaska—D. L. Duic; Northumberland—Wm. M. Johnston; Restigouche—Eben Ferguson.

When the report of the nominating committee was read, Donald Innis stated that he had been in favor of Mr. Limerick as president, because he was a young man.

He now objected to Mr. Limerick as he understood that that gentleman was not altogether a farmer. He would therefore nominate Caleb Campbell, of Kings County.

Another reason he had for this was that it was not fair to have one county represented in the president's office two years. After considerable discussion on a rule of order, C. Campbell was elected president for the ensuing year. The other officers whose names were submitted by the nominating committee were elected.

SHELLS FOR HARVARD LOST ON ATLANTIC

Cambridge, Mass., Mar. 2.—Harvard crews suffered a handicap by the loss of two new racing shells recently shipped from London, which were ruined in a rough passage across the Atlantic. The shells, lashed to the main deck of the steamer, were battered in by heavy seas.

The development of the crimson crews this year has also been retarded by the ice embargo. The Charles river still remains frozen and open water is not expected for some time.

\$12,500 PUT UP FOR WOLGAST-MORAN MATCH

Los Angeles, Cal., March 2.—Louis Blot, the San Francisco fight promoter, has offered a purse of \$12,500 for a 45-round match between Al Wolgast and Owen Moran at Tia Juana, lower California.

Blot telegraphed an offer of this amount or 70 per cent of the gross receipts to Tom Jones, Wolgast's manager, and Charley Harvey, who looks after Moran's interests.

Blot figures that a 45-round battle between Moran and Wolgast would be the biggestistic drawing card outside of the heavyweight class that could be arranged and he has strong hopes that his proposition will be accepted.

SPORT FRAGMENTS. The Winnipeg Victorias, Monday night at Winnipeg, beat the Kenora, Ont. hockey team by the score of 12 to 5, in the first game of the Allan Cup series. The Victorias are the present holders of the cup. The Longwood Cricket Club is to give up its grounds and consolidate with the Chestnut Hill Club in West Newton, Mass. The Longwood Club has no lease of the present grounds. The lands is owned by the Sears family and the rental paid by the club is much less than the tax imposed by the city. The land has greatly improved in value in recent years and demands of business representatives make it impracticable for the club to continue in its present home. Hugo Kelly, through his manager, has made claim to the middleweight pugilistic championship of the world.
