ST. JOHN CENTRE FOR GENERAL MOBILIZATION OF N. B. TROOPS

Special to The Standard
Fredericton, N. B., Aug. 8.—Lieut.-Col. H. H. McLeod was the first man to pass the medical examination of volunteers for active overseas service with the first Canadian contingent which was started at the army this morning with Surgeon Major S. F. A. Wainwright and Corporal Aldersham, P. A. M. C. in charge. Twenty-one volunteers were examined this morning and twenty of that number passed successfully. The medical examination will be continued this afternoon, and on Monday and Tuesday, and the first draft from Fredericton will probably leave here on Wednesday for Quebec where the 20,000 Canadians will be mobilized.

Those who passed the examinations did so in the following order: Lt.-Col. Hon. H. F. McLeod, Captain H. G. Deedes, Sergt. S. E. Wilson, Sergt. J. B. Rainsford, Corp. W. E. Masters, Corp. M. S. Scott, Privates Cecil J. D. Love, Arthur G. Brander, Hartley Chase, Jack G. Fenety, R. Sutherland, J. W. Webb, Sydney Webb, William Jackson, Lawson B. Hanson, Oscar White, James King, P. Norman Cameron, Ernest Leaman and Arthur Brown.

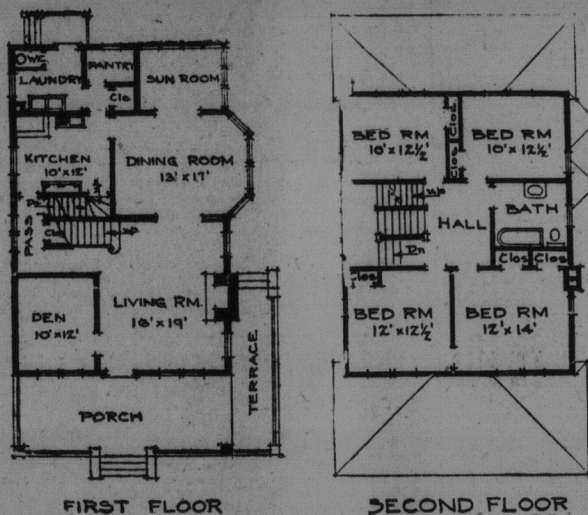

Major A. B. Snow of this city, cadet inspector for New Brunswick and Prince Edward Island has been attached to the 71st Regt. to aid Lt.-Col. H. F. McLeod in recruiting, and with Major Jas. Pringle of the 71st Regt. will leave Monday for Stanley on the first recruiting trip.

Lt.-Col. H. F. McLeod has received word from the St. Stephen companies of the 71st Regt. Captain Ryder has sent a list of 100 names here, and in his letter states he can get others to sign. Capt. Laughlin of Milltown is busy signing recruits. Capt. P. A. Guthrie of A Company 71st Regt. has signed thirty men, all of whom have seen service in the South African and other wars, besides several others without experience.

Dr. Harry Kilburn, son of Mr. A. E. Kilburn of this city, has enlisted with No. 8 Field Ambulance Corps, C. A. M. C. and is now assisting in the work of recruiting men who are prepared to undertake service at once.

THE Fenton Land and Building Co.,
Robinson Bldg. St. John

If one is hunting a "different looking" house, here is the one to build. The rooms are all especially large and the house is laid out on a scale generally followed in houses of about twice the cost of this. Direct entrance is into the living room, with a door to the den close by. The dimensions of this room are 16x19 with open stairway and a fireplace. The entrance to the dining room is through sliding doors, with a sun room at the rear. This could also be used as a conservatory or a breakfast room, glazed in during winter and open in the warmer months. The laundry and pantry are both a good size and the closet being rather large, could be used for storing table linen.

Four large bedrooms, five closets, and a well equipped bath make up the second floor.

Following is the itemized cost of construction:

Excavation	\$ 75
Millwork	600
Stonework	200
Brickwork	100
Plumbing, etc.	300
Carpenter work	250
Painting and glazing	250
Hardware	100
Plastering	500
Lumber	800
Hot air heating	200
Range	50
Total	\$3,425

Bert Boone of St. Marys, who have been busy since Thursday recruiting men for the corps, report having enlisted the following: Bayard Simmons, Hazen McLenihan, Chester MacDonald, George Betts, Allen Johnson of this city, and Hedley Forbes of Gibson.

Quartermaster Sergt. Bagley will return to St. John and Sergt. Boone will be placed in command of the local contingent until they reach St. John where the general mobilization of the corps will take place. It is altogether likely that Dr. Kilburn will be given a commission in the corps. He received his dental surgeons' degree at Harvard University, Cambridge, Mass. This summer and had intended to practice in Maine.

Members of the Boot and Shoe Workers' Union employed at the Hartt boot and shoe factory have gone to Capt. P. A. Guthrie, M. L. A., who is acting for them in the present arbitration proceedings, and through him offered their services free for work on military boots for any Fredericton man going to the front.

(Special cable to The Standard through the Central News Agency)
Montreal, Aug. 8.—An exclusive Central News cable dated London, Aug. 8, says a special despatch to the Daily Mail, from Mulden, Holland declares that yesterday afternoon the British fleet encountered the German high sea fleet sixty-five miles north of Dehdeland, North Holland, and, in an engagement lasting from two to four o'clock, nineteen warships were sunk or damaged. The balance of the German fleet was then pursued by the British and driven towards the Dutch coast.

CHURCHILL AGAIN DENIES REPORTS
(Special cable to The Standard through the Central News Agency)
London, Aug. 8.—The admiralty today deny the Daily Mail story this morning which stated that nineteen German ships had been sunk off the coast of Holland by the British fleet.

Winston Churchill, the lord of the admiralty, emphatically states that no naval engagement has taken place yet, excepting the sinking of the German mine layer Koenigslu Lule by the British destroyer flotilla when the British light cruiser Amphion struck a floating mine and immediately foundered.

HOSPITAL SHIP FOR EMPIRE

Special to The Standard

Fredericton, N. B., Aug. 8.—The women of Fredericton have taken hold with a willingness of the proposal to raise a fund of \$100,000 in Canada to equip a hospital ship which will be presented to the empire by the women of Canada.

A meeting of the executives of the local chapters of the Imperial Order of the Daughters of the Empire, the originators of the plan, was held last evening at the home of Mrs. P. M. MacDonald when plans were arranged for the covering of the province by women collectors of every race and creed.

There has been no time for the provincial chapter of the Daughters of the Empire to send out a special appeal, but it is believed that such a course will not be necessary in view of the general satisfaction with which the proposal has been received and with the evident need of Canada doing everything within its power to give practical aid to the empire at this time.

The provincial chapter handled the

collection of the patriotic fund at the time of the South African war with much success and it is believed that their work will be equally as successful at this time.

This is the first direct call for money and the response must be quick as the contributions from all over the province will have to arrive from all parts of province in time to be sent away by next Friday, the 14th inst.

A house to house canvass will probably be carried on by a big corps of collectors in Fredericton on Tuesday. Arrangements for this work will be made at a mass meeting of the women of the city which has been called for Monday afternoon at the Daughters of the Empire headquarters in the Howie building. An hour earlier representatives of all the women's societies in Fredericton will meet at the same place to prepare for the mass meeting.
