

PREFACE

The Publishers in presenting the ninth edition of their Business and Farmers' Directory for the Counties of Durham, Haliburton, Northumberland, Peterboro, and Victoria, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people. Among the contents will be found the name of each farmer, and whether owner or tenant of a lot outside the limits of each city, town or village, with post-office, lot and concession, a complete list of towns, with the BUSINESS people alphabetically arranged, also a separate list of BUSINESS people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of the business people

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support we remain

Respectfully yours,
