

TWELFTH ANNUAL REPORT

—OF—

Inox Church Missionary Association

In presenting a Report of the labors of your Committee for another year, we have to thank the head of the Church for the amount of success which has attended our efforts to carry out the work entrusted to us.

We have the great satisfaction of reporting to you to-night, that the year's work which closes with to-nights meeting, has been the most prosperous in the history of the Association. We have collected for Missionary objects the amount of \$973.25 from all sources.

For the last twelve months the collectors have called regularly on members and adherents of the Congregation for their subscriptions. Special credit is due the ladies who have been so self-sacrificing as to undertake the work of collecting, which as a rule they have done thoroughly.

We trust that the prayers of every subscriber may accompany their efforts to send the Gospel to those at home and abroad, who are not so highly favored as we are, and may the blessing of God rest on both those who give and those who receive.

W. H. McLAREN,
SECRETARY.

JOHN JAMES, D. D.,
PRESIDENT.
