A Little Booklet
Mothers Should
Have

IT TELLS WHAT A MOTHER OUGHT TO KNOW FOR BABY'S SAKE.

Above all things every mother wishes that her child, or children, whatever their age, may be bright, healthy, good-natured, rosy boys and girls; clear-eyed, clear-skinned babies; good sleepers, bright wakers. Every mother's wish for her little folk is that they may be well.

It is natural for little folks to be well. No wise mother thinks that her child at any age is in a natural state unless it is well and happy. No mother can expect, though, that her child will escape all the ills to which babyhood and childhood are subject, but she can do much to make baby's battles to health easily won.

A valuable little booklet entitled "Care of the Baby in Health and Sickness" has been prepared and as it is something every mother should have, a copy will be sent free to any mother on request who will mention this paper by The Dr. Williams' Medicine Co., Brockville, Ont.

ANNAPOLIS COUNTY DISTRICT MEETING

One of the most helpful of District Meetings was held with the Church at Hampton on Sept. 21-22. Rev. M. W. Brown, D. D., presided. Visiting members invited to seats were: Rev. W. B. Crowell and Rev. H. H. Phinney. Rev. P. R. Hayden delivered a most instructive sermon on the words: "Deliver us from evil." Mt. 6:13. The readings of the Authorized Version, various readings were made the bases for considering the abstract and concrete or personal views of evil. The fact of the prayer is an assurance of God's willingness to answer and to deliver us from every evil.

Rev. D. Brown gave a thought-provoking, expository address, from the text: "Knowing this first, that no prophecy of the Scripture is of private interpretation." 2 Pt. 1:20. The following conclusions were drawn: 1. Scripture is not human in its ultimate origin; 2. It is a divinely given interpretation of the things; 3. All Scriptures are divinely authoritative; 4. Christians are assured of the privacy of Scripture; 5. It is revealed a truth of primary momentousness.

Rev. W. D. Wilson addressed a full house on the subject of Temperance. He pointed out that liquor profits of \$381,000 indicated conniving at violation of law. That "righteousness exalteth a nation" was the explanation of our attitude on the temperance question. He appealed to all to do their best for God, for home and native land. The address was informing and very much appreciated.

Routine business included appointment of denominational allotments to the churches; endorsing the license of Bro. Lindsay Gray of the Lawrencetown Church, and the appointment of J. J. Whitman, Esq. of Torbrook, to represent the County, in Halifax, at a meeting of the Amnity Committee.

Inspiring solos were sung by Mrs. Jones, Mrs. J. Marshall and Rev. H. H. Phinney, while special music was rendered most acceptably by the choir.

A resolution was passed expressing appreciation of the labors and fellowship of Rev. M. B. Whitman, regret at his removal from our district and wishing him the blessing of God in his new field of labor. Another resolution voiced the gratitude of ministers and delegates to the pastor and people of Hampton for their kind and generous entertainment, and to the organist and choir for their assistance.

Pastor D. W. Dixon briefly replied. Thus was brought to a close a most inspiring series of meetings, and the delegates separated to meet in special session with the Church at Victoria Beach on October 21-22.

Women's Handicaps

HEADACHES AND BACKACHES

OFTEN MAKE LIFE MISERABLE.

A woman's health handicaps her almost always. She has pains and

disabilities which do not afflict men. Nature does not give her a fair

chance. Her blood is more often thin and poor than a man's, and she often

neglects the first beginnings of ill health. Many women who seemed

destined to a life of frequent suffering have been freed entirely from their suffering through the wonderful

blood-making qualities of Dr. Williams' Pink Pills. Many a woman

toils all day with a pain in her back and side, a burning headache, and a

sense of having no spine left.

What a pity women will not listen to their friends whom Dr. Williams' Pink Pills have saved from their misery. Whenever a woman suffers they will help her—in youth, middle-age and afterlife. Mrs. John Mitchell, of Middleville, Ont., gives her experience for the benefit of other women sufferers. She says:—"Some years ago I was so badly run down I could hardly walk around the house. I tried to do a few chores but was able to do very little. My boys and husband had to do the rest. If I started up stairs I had to go very slow or I would fall, and I was just played out when I got at the top of the stairs. My head ached terribly, and my heart would beat violently. In this deplorable condition I began taking Dr. Williams' Pink Pills. When I had finished six boxes I felt much better. Then I got a further supply, and by the time I had taken these I could walk anywhere without being exhausted. The headaches had disappeared and I am now perfectly well. Any woman who is run down should not hesitate to begin Dr. Williams' Pink Pills at once, as I am sure from my own experience they will build her up."

You can get these Pills from any medicine dealer or by mail at 50 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.
