thanks for a copy of the annual report of the Department of Education of the Province of Saskatchewan. Mr. Stevenson is a former Glencoe boy.

John Bright has disposed of his farm on Lake Huron to R. J. Nicholson and Harry Lambert of Wyoming. At a price said to be \$8,500. The farm consists of 97 acres and includes Bright's Grove, a well-known summer playground.

The death occurred at the family residence, concession 14, Alborough, near the Alborough-Dunwich town-line, early Friday morning, of one of the best known residents of that vicinity, in the person of Archibald M. Murray, aged 49 years.

David Leitch, field man for the Dominion Sugar Company, reports that he has already secured 2,500 acreage for this year's crop in this district. The contracts, he says, were the easiest ever obtained in the sugar beet industry. 1,000 of the acreage being contracted for in six hours.

According to reports in the daily press, towns and villages are now on the same footing as townships in regard to good roads. Pavements could be constructed in outlying sections by a change in the by-law by the county council. Towns are now securing better terms. On highways passing through them they pay 40 per cent. of the cost of pavement, the county 20 per cent. and the province 40 per cent.

An interesting meeting of the Presbyterian Y. P. G. was held on Monday evening. The meeting was of missionary character, and John Strachan, convener of the missionary committee, took the chair. Splendid papers on the life of the late Dr. James Robertson, D.D. were given by Miss Margaret Morrison, Miss Margaret Kerr, Rev. Mr. Paton, H. J. Jamieson and Mac. McAlpine. Mr. Suttler rendered a pleasing solo.

The League meeting on Monday, March 7th, was exceedingly interesting. A vocal solo by Miss Gladys Bechill and a piano solo by Miss Dorothy Highwood formed the musical part of the program. Miss Edna Precious gave a very instructive and delightful talk on "The Resurrection." The League is to be honored next Monday night by the presence of a returned missionary from China, Rev. E. K. Simpson, who will speak for the Leaguers. Everybody is cordially invited to attend.

It testifies for itself.—Dr. Thomas' Electric Oil needs no testimonial of its power other than itself. Whoever tries it for coughs or colds, for cuts or contusions, for sprains or burns, for pains in the limbs or body, will know that the medicine proves itself and needs no guarantee. This shows why this Oil is in general use.
