WEEKLY, \$1.00 per Year, Postpaid.

BEETON, ONTARIO, FEBRUARY 8, 1888

### BUSINESS DEPARTMENT.

We are prepared to buy any quantity of No. 1 Section Honey. Those having such for sale will kindly write us saying the quantity they have on hand and how much per pound they will require for it.

#### BEE-KEEPERS' CIRCULARS.

During last season we printed quite a large number of catalogues and price lists for bee-keepers, and we believe that in every instance the work as well as the price gave satisfaction. We have much better facilities now than we had at that time for turning out work, and we shall be happy to quote prices to any who may be requiring circulars. All we want is the privilege of estimating, and we will then leave the matter with the customer. We generally get up a sample circular (in blank form) showing the style and quality of paper which we quote price for, and we always allow the free use of any cuts or illustrations which have ever appeared in either the C.B.J. or our catalogue. Give us an idea of what you want and we will try and send a sample of it with prices. tf.
