— PERFECT WORK GUARANTEED —  
 First-Class Competent Engineers sent to all parts  
 of the Dominion. Correspondence Solicited.

**SPECIMEN TESTIMONIAL:**

ST. MARY'S, ONT., MAY 28TH, 1887.

*Frank Wheeler,*  
 DEAR SIR,—I am instructed by the Collegiate Institute Board of  
 Trustees to inform you that the Steam Heating Apparatus put in  
 our Institute Building by you last December has proved  
 highly satisfactory, both as regards the effective way in which the  
 building is heated, and the manner in which the work was executed  
 by you.

The teachers and students no longer complain of cold rooms, or an  
 unequal distribution of heat, but enjoy the comfort of well-warmed  
 and more equally heated apartments.

Yours very truly,

(Signed) A. CARMAN,  
 Secretary St. Mary's Collegiate Institute Board.

**FRANK WHEELER,**  
 Hot Water and Steam Heating Engineer,  
 56, 58 & 60 Adelaide St. West, TORONTO.

**HELP  
 MANUALS**

**CATCH-QUESTIONS IN ARITHMETIC** is the name of No. 5 of our  
**TEACHERS' HELP MANUALS.** This book has had an immense sale in England,  
 and the price of the English edition is equivalent to \$1.35 of our money. The edition  
 which we shall have ready on January 1 is the same as the English edition, except that  
 dollars and cents are substituted, where necessary, for pounds, shillings, and pence.  
 The book contains answers and numerous hints, as well as a variety of  
 original ideas. Subscribers to our series of HELP MANUALS get this book and eight  
 others for \$1.50. The numbers already issued are: No. 1, Practical Grammar; 500  
 exercises. No. 2, Manual of Correspondence. No. 3, Practical  
 Mensuration (with answers). No. 4, Easy Problems for Young  
 Thinkers (with answers). These books have met with wonderful success.

We received a single order on November 15 for one thousand copies. Hun-  
 dreds of smaller orders have been received, and teachers everywhere are de-  
 lighted with "The New Idea." We have been besieged with requests for free sample copies.  
 Many think that because we give nine books for \$1.50 we can afford to give away samples. We  
 cannot do this. These manuals are not simple pamphlets, but large, neatly bound, elegantly  
 printed books—books which will sell anywhere for 50 cents each, and be considered cheap.  
 There are only two ways to secure these books: one is to pay 50 cents each for  
 the cloth editions, and the other, to pay \$1.50 a year for the subscription editions.  
 Nine books make a year. Date your subscription back to No. 1, and get four or five manuals by  
 return mail, and the others on the first day of each month. You must subscribe now, if  
 you desire to get back numbers at subscription rates. For a short time we shall continue to send  
 sample copies of the subscription edition to any address for 25 cents each. No. 5 will be worth the  
 full yearly price.

**SPECIAL OFFER FOR A FEW DAYS ONLY.** We want you to see these books, and  
 to help you to get started, we make this offer. Get two teachers to subscribe with you,—  
 three in all,—and we will accept your subscriptions for one year at One Dollar each.  
 Do not delay, for this is positively your last chance to secure these books at a reduced rate. Valuable  
 premiums for larger clubs. Mention this paper. Address,

**THE SUPPLEMENT COMPANY, 50 Bromfield St., Boston, Mass.**
