The city is trying to keep pace with this settlement. There are now more buildings in course of erection than in any past year's history of the city.

Early June HOLIDAYS

MUSKOKA

Hotel and boarding house rates in Muskoka during June are lower than regular season rates. June in Muskoka seems greener and leafier than anywhere else. The water is soft. The air is soothing. There is a balmy, healing feeling about the woods and lakes. Have you thought of a month of health-giving rest before the summer travelling and entertaining begins? The Canadian Northern Ontario railway is the shortest route and has the best trains to the Muskokas. Steamer meets train at Bala Park and Lake Joseph Wharf for all points on the lakes. Holiday round trip tickets for the season.

BEAVERTON

Sometimes a new railway makes an old neighborhood over again. This happened with Beaverton, on Lake Simcoe, sixty miles from Toronto, when it was reached by the Canadian Northern Ontario Railway. Summer boarding on the lake shore; a sandy beach sloping 1,000 feet to a depth of six feet; splendid picnic grounds for one day excursions. Steamers and carriages. Rowboats and launches by the hour. If you don't know Beaverton it will only take a short time to run up from Toronto and see it.

LATER SUMMER TRIPS

- The Laurentians via Canadian Northern Quebec from Montreal.
- Lake St. John and the Saguenay via Quebec and Lake St. John from Quebec.
- Ocean Shore of Nova Scotia via Halifax and South Western from Yarmouth to Halifax.
- Summering Coast of Cape Breton Island via Inverness Ry. from Pt. Tupper to Inverness.
- The Superior Divide Canoeing Waters. Prairie Lands, Lakes, Rivers and Wheatfields of Manitoba and Saskatchewan via Canadian Northern Railway.
